

DAVID COLEMAN

Speaker, President, Consultant, and Pilot

With over 35 years of experience in the aviation industry, David Coleman brings a wealth of knowledge to clients of Coleman Jet Solutions.

Growing up in a business aviation-oriented family, Dave has extensive experience in technical oversight and flight operations. Dave has particular expertise and interest in complex cross-border, and regulatory issues. Dave is a current ATP-rated pilot with over 7,500 Hours of flight time in over 40 aircraft models including ratings in turboprops, jets, and seaplanes.

While actively engaged in his business endeavors in Chicago, Dave continues to fly. He owns a high-performance piston twin aircraft that he rebuilt and refurbished himself, and donates his time and aircraft to Lifeline Pilots, shuttling financially disadvantaged medical patients throughout the Midwest.
