Biography:

Frank McGrew joined GCG in December 2025 as Managing Director and Co-Head of Industrials. He previously led the launch of JP Morgan’s Nashville Regional Investment Bank, specializing in middle-market healthcare, diversified industrials, and business services. Before JPM, he was Managing Partner at McNally Capital, overseeing Merchant Banking and supporting Direct Investing with family offices. Previously, he served as a Managing Director at Raymond James, focusing on diversified industrial, manufacturing, and technology companies. Notably, he founded the firm’s Global Water Infrastructure Banking Practice. His early career included significant global experience at major investment banks, including Morgan Stanley, Merrill Lynch, and Salomon Brothers, across the US, Asia, and Europe. Frank is based in Nashville with additional responsibility for growing GCG’s presence throughout the South.
