

Thomas A. Gaitens
CPA CFF ABV CVA CSEP

ThomasGaitens PC, accountants and advisors, founded by Tom Gaitens in 1979 merged with Urish Popeck & Co, LLC on January 1, 2024.

Tom's career began in auditing with Coopers & Lybrand serving large publicly traded companies.

He formed his own practice to concentrate on small and middle market companies. Serving family owned closely held businesses led to a natural evolution to tax compliance and advisory services, as well, as business valuation and litigation support services.

More than four decades serving business owners as a trusted advisor has led to this third phase of Tom's career – Estate and trust services.

ThomasGaitens' merger with Urish Popeck greatly enhances the former's ability to provide attest, tax and advisory services to clients; and, in particular, Tom's ability to provide estate and trust administrative services.
