Summary of experience

Rick Kawecki is a seasoned risk advisory and technology risk consultant with over 30 years of experience at BDO, RSM, KPMG, and industry-leading organizations. His expertise in serving global middle market and Fortune 500 companies across industrial, consumer products, and financial services sectors is unparalleled.

Dedicated to client success, Rick empowers the firm's client service partners with the resources needed to thrive. His strategic guidance helps clients optimize business performance, mitigate risks, and achieve their goals. Rick's deep knowledge encompasses internal audit, Sarbanes-Oxley compliance, enterprise risk management, ERP systems, IPO readiness, IT audit and governance, project management, and business process transformation.

Throughout his career, Rick has held leadership positions in IT advisory, internal audit, risk, and compliance at two top-tier accounting and consulting firms. His experience also includes serving as a Vice President, risk advisor, at a major bank and as a Senior Fund Controller at State Street Bank.
