

QUALITY POLICY

Maithri Drugs Private Limited is committed to:

Deliver quality products to customers, meeting (or) exceeding the expectations consistently in terms of specifications, delivery, technical support, regulatory compliance and competitiveness.

Continuously improve the procedures, processes, technologies, infrastructure and the quality of products manufactured.

Provide continuous training to all personnel responsible for quality related activities.

Develop and maintain mutually beneficial relationships with vendors, customers and enrich the quality of life of all employees.

Dr. Ch.Nagaraju

Managing Director
