IRA SOLIDARITY RENAL

Votre don, leur vie.

MISSION

IRA's mission is to educate and raise awareness among African populations about the causes and treatments of renal failure, improve the quality of care and life for patients, provide material assistance to healthcare units and local networks, and foster mutual aid and solidarity by facilitating technical assistance from European practitioners to Africa.

“

Celebrate with us an evening dedicated to solidarity, kidney health and education through awareness to prevent acute kidney failure for all.

”

POSITIONING

IRA positions itself as a catalyst for change, providing tangible added value in terms of awareness, patient support, care improvement, and strengthening solidarity ties between practitioners in Europe and Africa in the field of renal health.

IRA SOLIDARITE RENAL is authorized to issue a tax receipt on part of the amount paid
