The Agenda is as follows:

### The First 90 Minutes

#### The Basics of Leadership

- Dropping the Shield
- The Power of Feeling Supported
- Laying the Foundation for Success
- Simple Programs: The Extra 8s

### The Second 90 Minutes

#### Program Development

- Key Stakeholders
- Community Resources
- Initial Program Development
- Next Steps

This workshop will be taught by Joel Busboom of The Inspired Workplace. Through Joel's experience with personal development programs, the Army's Officer Training and battling the daily routine to make improvements "stick", he has become an expert in helping people (and helping people help people) achieve their potential with very little, if any, extra effort.
