# MINI STARS

(AGES 3-5)

## I WAS IN THE BOOK TODAY!

Each week, our Mini Stars will step into the pages of a new storybook, transforming from readers into the heroes of the tales. They'll leap into magical worlds, meet unforgettable characters and bring each adventure to life through movement, imagination and play. Every session becomes a brand new journey, one where they don't just hear the story... they become a part of it.

# **DRAMATIC DREAMERS**

**(AGES 6-8)**

## **PETER PAN**

**This term, the groups will dive deep into Neverland, bringing Peter, Wendy, the Lost Children and the rest of the magical world to life. Students will begin crafting scenes, exploring character roles and collaboratively working towards their end year performance!**

**Please note: As this topic prepares the groups for an end of year performance, commitment to term 2 & 3 is mandatory.**

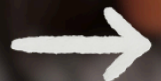

# STAGE EXPLORERS & THEATRICAL TALENTS

(AGES 9-14)

## ALICE IN WONDERLAND

This term, the groups will tumble down the rabbit hole into the whimsical world of Wonderland. The students will begin shaping scenes, experimenting with bold character choices and building the foundations of their end of year performance. From playful physical theatre to imaginative storytelling, this journey is going to be an incredible one!

Please note: As this topic prepares the groups for an end of year performance, commitment to term 2 & 3 is mandatory.

# STAGE MAVERICKS

(AGES 15-18)

## THE VOID

This term, our Stage Mavericks will continue working on a powerful and thought-provoking drama experience like no other. They will explore a group of characters who suddenly find themselves in a mysterious box, called 'The Void'. The Void requires the characters to reflect on their most cherished memories, before they embark on the next part of their adventure. The students will work on character development and learn how to devise a performance without a pre-written script.

Please note: As this topic prepares the groups for an end of year performance, commitment to term 2 & 3 is mandatory.
