## Ranch Members / Competitors Handbook

March 18, 2026

Ranch Events highlight the versatility of the hard working, multi-talented horses and riders who spend their days keeping the cattle industry running. The ability of a horse to work at a forward yet economical pace in a natural frame in partnership with its rider is the basis for Ranch Events.

Pattern events such as Ranch Riding, Ranch Reining, Ranch Pleasure, and Ranch Trail test the horse and rider's abilities and education while they negotiate a series of manoeuvres and transitions.

Ranch on the Rail is ridden in a group and is judged on a horse's movement and transitions through various gaits while Ranch Boxing, Ranch Cow Work, Ranch Cutting and Ranch Roping showcase cattle working ability.

A horse's gaits, movement and ability to ride confidently amongst other horses is showcased in Ranch on the Rail; and its ability to work cattle is tested in Ranch Cow Work, Ranch Cutting, Ranch Roping and Ranch Boxing.

Ranch Conformation is a led class in which horses are judged against the standard for an ideal working ranch horse based on their manners and conformation.
