Welcome from the Pastor

I want to say thank you for coming and sharing with us in our time of worship. I am excited that God has led you here to share in this worship service with our church family. I want you to feel welcome, relaxed, and at home among God's people. My greatest desire is that you are drawn closer to God because of His word that you will hear today. If you don't know Christ as your Savior, let today be your day of salvation! May God bless us and grow us in our time together. Member and guest, you are welcome in God's house!

Pastor Brian G. Osborne
