ABOUT NITSUJ

Nitsuj Martial Arts is a year-round martial arts program that is provided for the children at your school. We have our own martial arts teachers go directly into your school and teach the children, on site, right after school.

- ✓ Helping your child develop self - discipline, self-confidence respect and physical fitness
- ✓ Stranger/bully awareness
- ✓ Learning about the importance of sportsmanship and honesty
- ✓ Explaining the appropriate times to practice martial arts

OUR FUN CLASSES INCLUDE

- ✓ Belt ranking system! Students receive a white belt when they join the class
- ✓ Students will eventually earn colored belts and even trophies at no extra cost
- ✓ Parents are invited to come in to see their child test at the end of year ceremony

Please complete the form below submit to the office along with payment.
