

# Information we collect when you visit our website

We collect and use information from website visitors in accordance with this section and the section entitled **Disclosure and additional uses of your information**.

## Web server log information

We use a third-party server to host our website called GoDaddy the privacy policy of which is available here: <https://uk.godaddy.com/legal-agreements.aspx?otab=2>.

Our website server automatically logs the IP address you use to access our website as well as other information about your visit such as the pages accessed, information requested, the date and time of the request, the source of your access to our website (e.g. the website or URL (link) which referred you to our website), and your browser version and operating system. Our server is located in the United States and, accordingly, your information is transferred outside the European Economic Area (EEA). For further information and information on the safeguards used, please see the section of this privacy policy entitled Transfers of your information outside the European Economic Area

## Use of website server log information for IT security purposes

We do not access log data from our website server, collect(s), and store(s) server logs to ensure network and IT security and so that the server and website remain uncompromised. This includes analysing log files to help identify and prevent unauthorised access to our network, the distribution of malicious code, denial of services attacks and other cyber-attacks, by detecting unusual or suspicious activity.

Unless we are investigating suspicious or potential criminal activity, we do not make, nor do we allow our hosting provider to make, any attempt to identify you from the information collected via server logs.

**Legal basis for processing:** compliance with a legal obligation to which we are subject (Article 6(1)(c) of the General Data Protection Regulation).

**Legal obligation:** we have a legal obligation to implement appropriate technical and organisational measures to ensure a level of security appropriate to the risk of our processing of information about individuals. Recording access to our website using server log files is such a measure.

**Legal basis for processing:** our and GoDaddy's legitimate interests (Article 6(1)(f) of the General Data Protection Regulation).

**Legitimate interests:** we, and our third-party hosting provider have a legitimate interest in using your information for the purposes of ensuring network and information security.

## Use of website server log information to analyse website use and improve our website

**Legal basis for processing:** our legitimate interests (Article 6(1)(f) of the General Data Protection Regulation).

**Legitimate interest:** improving our website for our website users and getting to know our website users' preferences so our website can better meet their needs and desires.
