

340B REFORM: STOP THE TRICKS, DELIVER THE TREATS!

- **THE CHARITY COSTUME:** LARGE, WEALTHY HOSPITAL SYSTEMS GET MASSIVE DISCOUNTS ON PRESCRIPTION DRUGS UNDER THE 340B PROGRAM, BUT ARE NOT REQUIRED TO REINVEST PROFITS IN VULNERABLE PATIENT CARE.
- **A SPELL FOR HIGHER PRICES:** INSTEAD OF AFFORDABLE MEDICINE, OUR MOST VULNERABLE NEIGHBORS FACE SCARY, HIGH OUT-OF-POCKET COSTS, LEADING TO MISSED DOSES AND WORSENING HEALTH OUTCOMES.
- **THE SUBURBAN CREEP:** THE PROGRAM'S BENEFITS ARE QUIETLY CRAWLING INTO WEALTHY NEIGHBORHOODS TO MAXIMIZE HOSPITAL SYSTEM PROFITS.
- **THE CRYPT OF CASH:** THERE IS A SEVERE LACK OF TRANSPARENCY; CONGRESS DOESN'T KNOW HOW BILLIONS OF DOLLARS IN 340B REVENUE ARE BEING SPENT.

IT'S TIME FOR CONGRESS TO
PASS 340B REFORM!
