

## **“Black Wealth: 50 Years Later” Capitol Hill Roundtable Luncheon**

### **The Partnership for Innovation and Empowerment AND The Southern Christian Leadership Conference**

**Invite you to attend a panel discussion with Dr. Charles Steele, Jr.,  
on the state of black wealth in America**

**Tuesday, March 27th, 2018  
12:00 - 1:00 pm EST  
Cannon House Building Room 122  
*LUNCH WILL BE SERVED***

The purpose of this briefing is to educate policy makers and congressional staffers about the lack of progress in wealth accumulation among minority communities over the last 50 years. *Specifically, this briefing is focused on discussing solutions to problems minority families and communities face when trying to accumulate wealth and gain financial security in the modern economy.*

#### **MODERATOR**

**Dr. Charles Steele, Jr.**, President - Southern Christian Leadership Conference

#### **PANELISTS**

**Earl Peek**, CEO – Diamond Ventures

**Leroy Jones, Jr.**, VP of Digital Strategy and Business Development – Sheridan Broadcasting Corp.

**Paul Champion**, President – TranZed Apprenticeships

**Samantha Sanders**, Director of Government Relations – Economic Policy Institute

Please RSVP to Brady Buckner at [bbuckner@fsicoalition.org](mailto:bbuckner@fsicoalition.org).

We look forward to seeing you there,

Partnership for Innovation and Empowerment
