

Spring is the time for Love!

This month, two former students of
Renewed Hope India were married!

Angel joined the home in 2011 when she was in the 8th grade and continued through college. Angel completed her Engineering Course (B. Tech) in 2019 -2020. Her birthday is September 15, 1997. Angel has a soft heart for the Lord, and she was baptized on January 30, 2011.

Angel trained as a Sunday school teacher with Sony and now is teaching primary children in Sunday school. She attends church fellowship and is very good in her faith and spiritual matters. She has an excellent testimony in the church. Angel fell in love with Ravi Kumar, who is a Christian believer. He completed his MBA and attended the same church as Angel. Ravi Kumar is working in a private company. They were married on March 17, 2021, and the wedding was performed by Pastor Madhukar & Sony at Horeb Church.

Nandini joined the home in 2016 when she was in the 8th grade and continued through her two-year intermediate courses (Math-Physics-Chemistry). She was baptized on April 3, 2021. Her date of birth is June 7, 2000. Nandini lost her mother to HIV when she was in 6th grade, and her father is an HIV patient.

Nandini trained to be a helper in the home and works with Sony as she was a senior girl at the home. She is good at receiving spiritual training. Nandini fell in love with Pramod Kumar, who is a Christian believer. Pramod completed his certification in Automotive and is working for the KIA Car Company in Andhra Pradesh state. They were married on April 9, 2021, by Pastor Praveen Kumar in the village, an associate pastor of Madhukar Bylla.

Congratulations and many blessings to these two newly married couples as they begin their lives together!

Brother Madhukar hospitalized w/Covid

Just as the home was closed due to the high Covid numbers in India for 30 days, Madhukar came down with the virus.

Here you can see him in the hospital. Sony could not be with Madhukar in the hospital, and the Doctor would take a photo of him and send her a daily photo with an update.

Madhukar was in the hospital for 5 days and recovered at home with medications. He continues to gain his strength and is getting better every day.

Sony and his family thank you for your prayers.

The Harvest is Ready!

This is a Jackfruit. It is a favorite fruit of the home. It is a large fruit like fig, mulberry, or breadfruit. The flesh and seeds are cooling and make a nutritious juice. Jackfruit has an abundance of important minerals and is rich in magnesium.

There are over 50 fruit trees at the home for the children and women to enjoy. Thank you for helping make the home a place of blessings and abundance.

This tree was planted 4 years ago at the opening of the first dormitory. The home in India is in the process of producing a harvest with a much greater Kingdom impact.

Your continued prayers and gifts toward the home will help produce a harvest of changed lives that will affect eternity.
