

2020 SPeLLebration Sponsorship Details

Thursday, March 12, 2020

SPeLLebration is the Granville Education Foundation's adult spelling bee competition fundraiser. Competing are 3-person teams from schools, businesses, and other groups throughout the community. Teams are allowed to write down their guess for the spelling of each word. There is no pressure to be a great speller, because if you get stumped on a word, your team has the option to purchase a word coupon to stay eligible. We look forward to this fun, unique, community event each year! Below are the Team/Sponsorship packages.
