

2020 ISSUE 5

SIR BRIT Newsletter

May 11, 2020

Wanted to remind everyone that we are following the guidelines for the virus which means we are still dealing with some challenging times. With the majority of our members over 60 we want to make decisions that are safe for everyone. All events in May will remain cancelled with the exception of Tech Day on May 23rd. Be sure to contact Vince Anderson at (812) 455-4372 or Ray Graham at (812) 305-2635, if you are thinking about attending Tech Day.

The SIR Brit Picnic at the Folks will be postponed until later in the season. Additional information will be provided as it becomes available.

Since Kentucky restaurants are not opened yet, the Kentucky Dinner scheduled for June 1st has also had to be cancelled. Currently Red Robin's policy allows groups no larger than six people, which would prevent us from having our June 1 meeting. We will remain in contact with them and let you know if things change in time to have the June 8th meeting. An email will be sent out if it's possible to have the British Cars and Coffee breakfast on June 20th.

Welcome to Dan and Candis Armstrong from Evansville. They have a 1980 MGB and joined the club in April.

COVID Convoy
Wednesday May 13th
11:00 at Lincoln State Park
For a picnic lunch
Leaving at 12:00 for a
45-minute drive

I hope everyone is well and has avoided going stir crazy while staying at home. If you are ready to get out for a group drive (COVID Convoy) send me a text at (260) 341-2244 so we can watch for you. Pack a lunch and join us on Wednesday, May 13th at 11:00 in Lincoln State Park for a picnic. There is no admission to the park and there should be enough picnic tables to meet the requirements of social distancing. So, look for British cars at the picnic tables. We will be leaving at 12:00 for a drive down country roads and to enjoy the scenery while maintaining social distance.

*May 23rd
Tech Day at Ray’s
Garage.*

Bring your LBC for light maintenance, testing, and problem solving performed by Club members. We have access to a lift. Parts and lubricants are at owner expense...bring with you.

Depending on work, we may have lunch together at a local restaurant.

In order to informally plan a schedule, contact Ray by cell, 812-305-2635 or by email, ray.graham3150@gmail.com no later than EOB May 21.

Obviously plans are subject to change due to the Pandemic protocols.
