

Coffee Blends

Dolphin - Decaffeinated Coffee

Free from Caffeine, this harmonious blend combines the full flavors of Eastern Asian & Latin America into a single, joyful smooth cup.

Eagle - Medium Roast Coffee

Eagle brings soaring flavor and superb strength to a full bodied cup. Blended from the finest Central and South American beans, Eagle's great taste is sure to satisfy.

Frog - Breakfast Blend Coffee

Jump start your day with this Incredibly smooth and flavorful coffee. Roasted lighter, this combination of Latin American coffees, offers a wise choice for your early morning cup.

Orca - Dark Roast Coffee

Goodness is at the heart of this rich and nutty dark roasted coffee. Orca has intense, rich flavor with a subtle but pleasing finish.

Thunderbird - Dark French Roast Coffee

This "Dark French" roasted combines the richness of three varieties from Latin America to create a complex blend with a thunderous taste that is hard to match.

Raven - Espresso

Full of life and strength, our espresso has been created to deliver a ravenous flavor and a long finish. A discerning flavor for those who appreciate good times and great coffee.

Coffee Service

We provide coffee service for special events where you expect to cater to at least 100 people to attend.

We provide fresh brewed Spirit Bear Coffee, coffee cups, cream and sugar.

Hot Chocolate & a variety of tea will be available as well.

We provide the very popular favorites 'Orca - Dark Roast' & 'Eagle—Medium Roast' coffee.

Should you wish other roasts to be provided, please let me know at time of booking.

Authorized Distributor for Spirit Bear
Coffee Company

More Than Just a Coffee Company

We drink a lot of coffee around here. So it's got to be great. We start with a strictly hard bean, high-grown organic fair-trade Arabica beans that are craft-roasted to bring out the optimum flavor profile for each blend.

Since 2006 Spirit Bear Coffee Company has been sourcing and craft-roasting some of the finest organic and fair-trade coffee in the world. At coffee origins in South America we support the health of our farmers through organic farming methods and ensure that they are paid fairly via fair-trade premiums.
