About ORGANIZATION

"Missions is Heaven's rescue operation on the earth" Prophet Tom Tirivangani

Our faith in the Lord Jesus Christ will not make meaning until our faith touches and impacts the life of someone in a tangible and meaningful way.

Our Outreach Centre began in September 2007, when the food and clothing bank was launched, A soup kitchen for the winter was added in September 2008. In December 2008, our first Free annual Christmas dinner was started. The monthly free breakfast came in 2018 and the programs have been running for the past 16 years, helping thousands of families adjust and navigate the harsh economic realities in Canada

Our international missions is a rescue operation to the world. It is the footprint of our faith in the Lord Jesus Christ. In 2017 the missions was extended to Namibia in partnership with the government to eradicate poverty as the government had declared war against poverty in the Nation of Namibia. The outreach Centre was able to send a 40ft container with clothing, furniture, books, computers, medical supplies, and many more; In 2018, 2 40ft containers were shipped again to Namibia. in 2019 another 2 40ft containers were shipped to Namibia.

In 2020, the Missions spread to Zimbabwe providing a mobile clinic, food and clothing assistance to the needy. This culminated in a center being built and now operating 2 church branches.

Prophet Tom Tirivangani

President of Christ's Voice of Restoration Ministries

Welcome Message

Prophet Tom Tirivangani was born in Zimbabwe. The grace of God has always been a big factor in his life. Even at a time when Tom did not walk right with God, God walked right with him. The hand of God was upon him. His uncle Peter in the early 1970s when Tom was a young boy used to call him in his local dialect, "Thomas mudzidzi waJesus", literally translated as Thomas, the disciple of Jesus Christ. Prophet Tom had the marks of the discipleship of Jesus Christ right at the very beginning of his life. Brought up by very strict parents, discipline, love for others and hard work were the virtues Tom's parents insisted he must develop. The love that Tom's parents had for others in the community influenced him greatly. The family home was often a place of refuge for many of the poor people in the community. His mother was always giving something; if it is not salt, it was cornmeal, one day it may be clothes, and another day it may be money or work. Prophet Tom Tirivangani remembers vividly from 1976–1979, during the height of the war for independence in Zimbabwe his father's three-bedroom house in Highfield, Harare housed six families. "How six families were able to share a 3 bedroom house for 3 years is the mystery of what love can do". He never heard his father or mother complain. We ate together, slept together, and played together. Little did Prophet Tom Tirivangani know then that God had enrolled him in His own college, right in his parents' home. We as men, have our own colleges but real men of God, ought to enter the University of Jesus Christ, where the Holy Spirit is the perfect schoolmaster; every challenge in life is a test that ought to be taken if one has to qualify as a man of God.
