RE: Updated Protective Covenants - Mailbox Standard

To our Members, Please be aware that after the final completion of all Mailboxes in the Gates subdivision the Protective Covenants were updated (Design Guidelines). Please note that all mailboxes must meet the standards and under no circumstance will any mailbox, post, address numbering will be acceptable. The attached document provides the mailbox information if any part or complete mailbox needs repair or replacement.

If you have any concerns please bring them to the attention of any Gates HOA Board director or any member of the Covenants Committee.

Thank you,

Gates Homeowners Association

## Gates Homeowners Association Standard Mailbox

To all Homeowners,

Please note the following and keep this document with your Covenants and other house records.

All of the mailboxes have been updated in the community as of 8/25/2008. These are the only approved mailboxes. Any mailbox requiring repair or replacement must be consistent with the standard box installed. NO substitutes will be allowed.
