

37. Peace Treaty Between Israel and Antichrist

- Even though the antichrist is not one of the original 10 kings of Babylon the Great, he will have the authority to make a firm covenant (peace treaty; Daniel 9:27) with Israel on behalf of the one-world government, thus revealing his identity (Daniel 7:19-25; Revelation 17:8-18). This seven-year covenant marks the official start of the Great Tribulation.
