School Re-opening - cum - Worship Programme

Haitung Goodwill Foundation has been running a private institute in the name and style of Holy Angel's Academy at New Impah village since 2018. The academy with the total strength of 212 students (122 boys & 88 girls) at the time of admission began its second scholastic year on 12th February with a worship programme in its campus. The programme was conducted by Deilungtui, former pastor of the local church. The school was privileged to have two ADC members of Tamenglong Autonomous District Council namely Mrs Ramingle, Chairperson Education and Shri. Poukhui, Executive Member. Apart from children and parents neighbouring village

church pastors attended the function praying for the smooth functioning of the school, safety of the children and for sustainable development in the region. The Chairperson Education ADC/Tamenglong distributed solar lamps to the children on the following during school assembly hour.

S.A.L.T Training

The school was fortunate to have Mr. David Gandhi of Maharashtra state and his team from Aben to help the school to move forward in sustainable agriculture particular for vegetables. They trained the students and staff alike on Sloping Agriculture Land Technology (SALT) as the school also is in similar

Health Screening Camp

An outreach health programme under Karuna Trust for the student community of the school at the beginning of the new academic year 2019 was held on the 2nd March by inviting a doctor and nurses from Impah health centre (PHSc).

All the students were screened by and medicines were given free of cost by the visiting health team. This was in fact a good exercise for the school because we never know what disease or sickness children can bring from home after holidays and spread the same with fellow students.

topography. The team taught various methods of agriculture farming for maximum bumper crops around the year from 15th to 18th February. The training is more or activity based rather than theory. The training went on for three days.

Apart from S.A.L.T his wife Mrs. Usha Gandhi gave teachers' training base on NCERT (National Council of Education Research Training) model. It was a great privileged to have them in such a critical time as the school was opened just a year ago. Till date the same technique of teaching was carried out in the school.

seeds was done. Over and above two compost pits were also constructed at the side of the FAITH garden. Seeds were also provided to the trainees for self-cultivation at their respective gardens.

Singing Competition

The second Singing Competition of the school was held on the 30th April 2019. Mr. Armstrong Pame IAS, Deputy Commissioner, Tamenglong along with his wife happened to arrive on that day graced the occasion and encourages the student's community to excel themselves and

Training on FAITH Gardening

FAITH gardening method was first introduced to the school by Mr. Sunil and teams mates in the school campus with hope and believe that school will be self-supportive when it comes to vegetables. The training begins with land dedication to God on 18th March 2019. A total of 18 participants from surrounding local church along with teachers took part in the intensive training which ended on the 19th March evening around 5:00 PM. Apart from theoretical classes which is part of the training session tilling land, preparation and sowing

take part in many competitions that will enable to come up at par with others. He also says practice make a man perfect. He also gave away the prizes to winners of the competition.

Bible Verse Recitation and Storytelling Competitions

The Bible Verse Recitation and Storytelling Competitions as part of the school literary programme for junior and senior categories were held on the 18th May 2019 at the school auditorium.

The Bible verse recitation and storytelling competition exposes the student's community to come out of their self and strengthen their faith formation in Christian life.

Around 38 students who are selected from their respective houses competed in the programme. Apart from winning prizes for themselves they also earned points for their house. Apart from participating teams the other students who cannot make to the final round were encouraged by the finalists' expressions, assent, voice modulation etc showing them that everyone can do it.

Fancy dress and Poem recitation Competition

Learning is fun for all who care. The 2nd Fancy dress and Poem recitation competition of the school was held on Saturday the 13th July. The competitions are an exercise to help student's community to act as someone whom they admire in life and put them into practice before they really attain that stage of life. It is also give insights into how much they have learned staying in the school. Their memory power, their correct pronunciation, assent, clarity were looked into. It is also a way out to help them come out of their box without shyness when they are given a chance to do something in front of the crowd.

Painting Competition

The School level Essay and Painting competition for the children was conducted on **9th March (2nd Saturday)** under the theme ***Beti Bachao Beti Padhao*** (Save girl child, save future generation) under ICDS cell Tamenglong. As many as 103 students categorised in senior, junior and sub-junior participated in the colourful painting competition.

Talent Show-cum-Traditional Activity Competition

The Second Talent show which includes was held on the 10th August. In the first place there was Poem and bible verse recitation contest amongst various categories of children. It was a grand day as children were given enough time at their disposal to exhibit their unique talents in various fields like acrobat/gymnastic, cultural dance, folk songs, traditional attire, couple walk, the voice.

In this programme, the school chose Mister and Miss ANGELIAN and crowned them. Looking at their performance in studies, literary, sports, discipline, obedience etc

Mr. Duma and Ms Heuleile were crowned as the students of the year.

Essay Writing Competition

The Essay writing competition at the school level was held on 3rd September 2020 at the school hall. As many as 29 students took part in the competition.

The topic for the essay competition was water management at school. The winners of the competitions were awarded handsomely by the principal of the school along with citations. Entertainment for competitors was also held by fellow students to cheer up and encourage them.

Observance of Teachers' Day

Teachers form the integral part of the education curricular. They act as the second parents to students. They have all the responsibility and duty towards children development in the fields of social, mental and spiritual aspects. Every year the school observed this day in a grand manner, whereon children bring gifts, flowers to show their love and respect to their teachers and entertain them with various activities performed on the stage.

Gandhi Jayanti Day

Falling in line with the nation Holy Angels Academy also observed Gandhi Jayanti Day on 2nd Oct 2019. In the first half of the day children and staff were engaged in social work clearing bushes and tiding the school campus.

Cultural Day 12th October

Our culture our identity is what the present day tribal communities claimed. It's what makes us proud of our unique culture and tradition from the rest of the country. On this day the students perform proudly various traditional dances, sing folk songs that they have learned from their parents/village elders, play indigenous games. They dressed up in colourful traditional attires to make the day auspicious and special dear to their hearts. The various activities performed on this day are based on competitive spirit that wins points for their teams/house. Couple walk in traditional music were part of the days' order.

2nd Annual Sports Meet

The second Annual Sports Meet of Holy Angel's Academy was held from 23-25 October 2019 at the school campus.

Shri L. Dikho, Hon'ble Minister, PHed, Govt. of Manipur graced the programme as the chief guest. Apart from chief guest host of dignitaries like Executive Engineer PHed, Tamenglong division, Chair person ADC, Tamemglong, SDPOs of Tamei and Tousem Block were present at the inaugural function.

At the inaugural programme the chief guest appreciated and thanked the school authority and students alike for running a school so well in the remote corner of the state. He encouraged the students and staff to continue the good we all are doing for the benefit of all. The other speakers of the programme were Shri. Ajin Ex.Engineer PHED, SDPOs and Mrs. Ramninglo, Chairperson ADC, Tamenglong.

Children's day/School Picnic

14th of November is mark as the children day all across the country in commemoration of Pandit Jawaharlal Nehru birth day. This year the day was spent by organising school picnic for the children. The entire students' community was divided in to three groups and sent them to Inem, Old and New Impa village for pinic with their teachers. Apart from having fun and merry making the children were served with good and heavy meal at the end of the day.

Mela on Government Department Entitlements

The first time ever mela on various government departments' entitlement camp was held at the school campus. On 17th November 2019. The Deputy Commissioner Shri. Armstrong Pame IAS, along with host of department people came to conduct mass mela in the school for the surrounding villages. The department that participated in the grand event were PHed, Canara Bank, District Health Mission, Social Welfare, DRDA Tamenglong, District Aids control Board, ZEO, Tamenglong and Adhaar capture personnel.

In fact the students and parents have benefited a lot as they get chance to capture Adhaar, make their health Card, opening their saving bank account, free checkup and medicines for their ailments, get chance to talk about their village immediate problems like drinking water, sanitation problems etc.

Football Coaching for U - 12 under TATA TRUSTS

Sports and games are part of the school curricular that cater to the need and overall development of a child. Mental, physical and spiritual aspects of life are intricate co-activities of this institution.

Character building and disciplining of children in all spheres form the educational responsibility of the institution. This year the school has opened a football coaching centre for under 12 years of age for both boys and girls in the school. The coaching is sponsored by TATA TRUSTS.

A total of 50 students 35 boys and 15 girls are currently undergoing such training with their trained sport personnel. The coaching started in the month of October and will continue till September 2020.

The objective of this coaching is to give ample opportunity to rural students to bring their talents and capabilities to the forefront. For this the school offers different infrastructure to make students excel in life and be someone in life when they grow.

“Education is the most powerful weapon which you can use to change the world.” ~ Nelson Mandela

Conclusion

The various activities and programmes of Haitung Goodwill Foundation as planned along with the Parents body are being implemented as scheduled during the year. Looking at the number of activities held with ever favour participation of students and villagers.

We have every reason to thank God for his unfailing love to our people and region particularly to school.

From all of us here at HGF would like to thank immensely to all who have contributed by way of men and means. Resource persons/chief guests of various programmes and the people at the grass root level without whose help and cooperation we could ever have been able to do what we have done.

May God bless you all and your dear ones.
