<b>HEIGHT</b>	SMALL PLANT
<b>FLOWERING TYPE:</b>	PHOTOPERIOD
<b>SEX:</b>	FEMINIZED
<b>SEED BANK:</b>	AZ SEED CONNECT
<b>GROWER:</b>	CANNASTAYA _ MASTER CULTIVATION

## ABOUT PINK PANTIES

PINK PANTIES IS A CROSS OF BURMESE BLACKBERRY KUSH AND OG KUSH. IT'S NAME WREAKS OF SCANDAL; HOWEVER, THE SCANDAL IS ALL ON THE HIGH. A SMOOTH SMOKING EXPERIENCE THAT IS CITRUS-FORWARD, BUT LIGHTLY HERBAL ON THE EXHALE. IT OFFERS A SLOW CREEPING HIGH, AND BEFORE YOU KNOW IT, YOU ARE OUT. IT TAKES A FEW MINUTES FOR IT TO SET IN, BUT HITS YOU RIGHT BEHIND THE EYES AS YOUR EYELIDS CLOSE; IT MOVES TO THE BODY MAKING THE LEGS NUMB. IT SHOULD BE TAKEN ON LAZY EVENINGS AS YOU WATCH MOVIES OR LISTEN TO MUSIC.

IT EXPRESSES DENSE, MEDIUM-SIZED BUDS THAT REEK OF TART AND TANGY CITRUS ALONGSIDE A STRONG FLORAL BOUQUET. CONSUMERS CAN FIND VALUE IN PINK PANTIES' POTENT BUT FUNCTIONAL SEDATION, WHICH MAY HELP ABATE SYMPTOMS OF ANXIETY, DEPRESSION, AND PTSD.
