INDUSTRIAL RADIO REMOTE CONTROL **BABHAND**

Technical data

Serie: **BHe**
 Frequency band: **433MHz | 868MHz | 2.4GHz**
 Modulation: **FM**
 Output power: **15 mW**
 Weight: **~ 150g**
 Sealing: **IP65**
 Medium range: **50m to 100m**

Dimensions: **150 x 64 x 25 mm**
 Battery: **Lithium-ion**
 Charging time: **1,5h**
 Operating time (continuous usage): **12h**
 Operating temperature: **-20°C+ 70°C**
 Number of buttons: **12**
 Safety level: **SIL 2**

Kit

A **BabHand** kit includes:

Transmitter

Receiver sized to fit the lifting device

Control ring (optional)

Magnetic wristband (optional)

External or internal battery

Charger

Magnetic fastening kit (optional)

User instructions

Product description

IP65 jack socket:
Connection of the ring or loading

2 programmable function buttons

Emergency stop button : Safety level SIL2

Dual-state buttons:
2 speeds

6 double push buttons

Informative LEDs

Functions identification

2 programmable function buttons

Adjustable ring for work gloves

In compliance with EU Directives

CE Conformity Declaration of type RED_106 issued by LCIE
