We All Scream Ice Cream

THE PROJECT

Beyond Church is a startup in North Fontana, and we've been holding monthly community events with the simple objective of adding value to people's lives and community service. We continue to hold free events at parks in Fontana to further upbuild community engagement and gospel hospitality amongst city citizens (1 Peter 4:9). And you know what, we wanna do more!

Let us think of acts of love & good works. (Hebrews 10:24)

Īs - 'krēm 'trūk: We'll call it an ice cream truck, but it will serve much more! We'll place a freezer and fridge in it to keep popsicles handy and glass bottled Colas for the big kids (aka, adults!). It will serve donuts and anything else we can think of during the cooler months! This will serve as a network hub for Beyond Church and enable us to instantly create presence where ever we're serving in the city!

WHY THIS PROJECT MATTERS

Simple acts of kindness. One of the best ways to serve our community is through the kind of service that puts a smile on peoples' faces. We have found that cold treats do the trick!

- We'll take the truck beyond Sundays! We will visit local parks during the week and on Saturdays during the height of busyness and offer FREE popsicles.
- We will give the truck an attractive vinyl wrap, with messages about Beyond Church and the city. For example:
**FOR FONTANA · FOR GOD · FOR YOU
I BELONG. YOU BELONG. WE BELONG.**
- We will place the ice cream truck on the church website, and people will be able to book the truck for their kid's birthday party - all of this in Jesus' name!
- **The truck will also be used before and after worship services to transport and store equipment. (Right now we require multiple cars to transport equipment for Beyond Sundays and events.)**

GOALS & OBJECTIVES

01

To strategically leverage reaching and serving people who wouldn't otherwise join a Sunday service.

02

To be a church known for moving outward and serving the city with *free* cold treats, and the love of Jesus.

03

To be a connection center before/after Sunday gatherings & an equipment transport vehicle.

04

To enhance marketing for our new church in the area...while serving people at the same time!

I (Brandon) have spoken with Pastor-friends in Georgia and Kansas City. Both attest to how impactful their trucks have been in their city, for the Kingdom!
