DESCRIPTION

We have sourced the very best materials to make the perfect, durable outdoor cushion. The result is so beautiful and soft you may also want to use it indoors. High-quality UV-resistant fabric treated with a formula to repel dirt and liquid. Removable and washable cushion case with zip and white piping as a nice detail. The luxurious inner cushion will not flatten, create lumps or lose its resilience. Soft, yet firm support, more similar to down than regular synthetic cushions.

MATERIAL

Cushion case: 100% Sunbrella® acrylic.

Inner cushion: Fossflakes®, 100% polyethylene.
