Bangs®**

INSIDE. OUTSIDE. EVERYDAY.

**Summer.**

# Sunshine.

Warm, salty skin.

Icy poles and after-school swims.

Prawns, beers and barbecues.

Skinny dips and cicadas.

Rich with tastes and sounds and vibrant with colour, summer is that time of year when our most vivid memories are formed. Long, lingering days beg to be taken advantage of and every last drop of sunshine squeezed out.

Welcome to our latest collection. Designed with a nod to our own Aussie summer memories, we hope it will become the backdrop to yours. Enjoy it in the sun with new friends and old, big and little.

CADDY IN 'DAPPLE'

## Luxurious Fabrics

Top-shelf fabrics not only feel lovely to touch, but perform like nothing else when it comes to tension and resistance. Helping to disperse wind force across the canopy, they mitigate the risk of tears and rips.

## Form and Function

Our umbrellas look great and they're built for durability. A fibreglass frame gives flex and strength, while our umbrella shaft provides exactly the right amount of give and take.

Available in six prints and two sizes:  
The Maple 100cm / 39in. and The Caddy 130cm / 51in.
