NHRC NEW MEMBERS

NHRC welcomed new members into the club recently. Adding new members mid-year instead of waiting until the end of the year was a request by multiple people who were anxious to join and use the club. All the members received their new membership card and went through club orientation. New members learned the history and requirements of the club, the importance of range safety, how to use the new card system, etc.

New NHRC members are Nicholas Buzanowicz, Juan Duran, Mark Eckel, George Fantry, Kevin Foster, Joseph Furman, Elizabeth Hettinger, Joshua Kyle, Chad Marks, Zach Martini, Brandy Switzer, Daniel Titus, Douglas Wallace, and Stanley Warner. If you see these new faces on the range - extend a warm welcome and show them around!

NHRC CLUB EVENTS

With the new meeting building, NHRC has begun scheduling events and entertainment that support shooting and hunting sports. The Club started hosting the PA Game Commission Hunter Safety Courses. The courses which teach hunter safety, are usually held in August to prepare new hunters for the upcoming game season. This summer, State Representative Jamie Walsh attended a club meeting and provided information on proposed legislation on general topics and those impacting gun owners and hunters.

At the October 24th NHRC Club Meeting, Mike Rospendowski will be presenting updates to the current hunting regulations and general information. This topic was requested by fellow members. The November 14th meeting begins Friday at 7PM. Hope to see you there!

NHRC plans to host special speakers or events on a quarterly basis. The club is seeking your suggestions for topics of interest or programs. Several members have inquired about firearm safety courses and concealed carry courses. Along with gun safety, are you interested in marksmanship fundamentals or even an orienteering (map and compass reading) class?

The club is also looking for a volunteer or two to assist with scheduling, setting up the event and creating/maintaining the events calendar. If you are interested in bringing a program to NHRC or helping to develop an event or know of a special speaker, please email the club at nhrc.clubnews@gmail.com or contact Tony Camillocci at tcamillocci@verizon.net
