

OUR PROCESS

PRECISION. EXPERIENCE. SOLUTIONS.

At Jmacks Industrial Sales, Inc., our process is built on experience, precision, and a commitment to delivering the right solution—every time.

01

CONSULTATION & DISCOVERY

Every project starts with understanding your needs. We take the time to learn your application, specifications, timeline, and budget. Whether you're an OEM, engineer, contractor, or small business, we align our approach with your goals.

02

DESIGN & ENGINEERING SUPPORT

We assist with CAD drawings, material selection, and design optimization. Our experience allows us to recommend solutions that meet or exceed performance requirements while improving cost-efficiency and manufacturability.

03

SOURCING & MATERIAL SELECTION

With a strong supplier network, we identify and source the right materials for your project. We ensure quality, durability, and compliance with your specifications—no shortcuts.

04

PRECISION FABRICATION

Using advanced CNC waterjet cutting and fabrication processes, we deliver clean, accurate cuts across a wide range of materials. Our focus is on tight tolerances, consistency, and reliability.

05

QUALITY CONTROL & INSPECTION

Every part is reviewed to ensure it meets your exact requirements. We maintain strict quality standards so you receive dependable, ready-to-use components.

06

DELIVERY & LOGISTICS

We coordinate efficient delivery to keep your project on schedule. Whether local or nationwide, we ensure your order arrives safely and on time.

07

ONGOING SUPPORT & PARTNERSHIP

Our relationship doesn't end at delivery. We're here to support future needs, revisions, and new projects. At Jmacks, we believe in building long-term partnerships—not just completing transactions.
