What we do for you

Day-to-day finance support, reporting, and advisory in one structured service package.

Core finance support

- Manage Accounts Payable and Accounts Receivable queries
- Perform daily reconciliation
- Prepare monthly management reports
- Provide ad hoc reporting or another agreed reporting cycle
- Support broader accounting, tax, and business advisory needs
- Include a retainer package for accounting, tax, and business advice

Why businesses choose us

Traditional Model

- 1 Finance Manager
- 1 to 2 Senior Accountants
- Several junior or support staff

Our pod-based Model

helps reduce finance staffing costs by at least half while maintaining professional support and service quality.
