

## 2023 ADVANCED HORSEMANSHIP CLINICS

Thank you for your interest in our advanced summer clinics here at Ironstone Farm! Our farm offers both therapeutic and recreational riding year around. For our recreational and independent therapeutic clients, we strive to provide as many horsemanship topics as possible as they grow. These clinics are designed for our advanced clientele, to try new things, and add to their skillset, in hopes they become a well-rounded horseman. In order to participate in these clinics, riders must be at the walk, trot, canter level in their weekly riding lessons.

Participants may take as many clinics as desired, however, there is a limit as to how many can participate at once. To sign up, please email this registration form to **SummerPrograms@IronstoneFarm.org**. Attached is a calendar of the clinics offered this summer. These will run on Fridays during the summer. *Please see the last page for a list of clinic descriptions.*

### REGISTRATION FORM

**Rider's Name:** \_\_\_\_\_ **Age\*:** \_\_\_\_\_ **Height:** \_\_\_\_\_ **Weight:** \_\_\_\_\_

**Parent Phone:** \_\_\_\_\_ **Parent Email:** \_\_\_\_\_

## DESCRIPTIONS

Please be advised, *rider must be at the walk/trot/canter level in order to participate in these programs*

### Jumping Clinic (Parts 1 - 4)

This clinic will be offered on most Friday mornings, and will be a progression clinic. If you want to participate in the final 2 clinics, you must take at least 1 of the 2 first parts, in order to make sure you progressed safely, and have all the tools necessary.

### Gymkhana

Gymkhana is a speed game based class, where clients will be able to participate in all sorts of games that require focus, agility, and fundamentals of riding. Some of these games include barrel racing, pole bending, turn n' burn, keyhole, musical stalls, relay race, pony soccer, and more! Riders will participate in the games at the level in which the instructor deems appropriate. This will depend on horse assignment and is subject to vary each time a client participates.

### Drill Team Clinic

Our Drill Team clinic is one the most popular activities we offer here at Ironstone. In this, we are teaching riders synchronized riding on horseback to high energy, upbeat music. This is a great way to improve your riding skills, as all fundamentals of riding are needed. Controlling speed, being spatially aware, pivoting, turning, weaving through other horses, while performing a complex routine.

### Trail Ride

Participants will embark on an off-property trail experience at local trails around our farm including the rail trail, and haggetts pond. We will tack and mount at the farm, and travel by horseback, no vehicle transportation needed! **Must be an intermediate WTC rider to participate in off-property clinics.**
