

Challenge Unlimited, Inc. Horsemanship Course

Challenge Unlimited at Ironstone Farm is offering a course that provides an overview of the basics of equine understanding, care and management. The Horsemanship Course is a pre-requisite for apprentice instructors at Ironstone Farm preparing for Massachusetts licensure, and an elective for others interested in expanding their knowledge of horses beyond riding. It will be taught by a team of Ironstone Farm staff members who bring varied expertise and perspective for a dynamic program. It will also teach students about the practices of Ironstone Farm – a successful equine facility since 1960. Classes will be split between lecture and outdoor hands-on activities.

Horsemanship Course Fee: \$225

This fee may be paid in full before commencing the Horsemanship Course or may be paid in two installments, one half due before commencing the Horsemanship Course and the balance due four weeks after the program start date.
