

# Nakamura Hospital

## HOSPITALIZATION RULES

**Hospitalization** - Family members must be present on the day of admission. As a rule, hospitalization is in the morning. There is an orientation for family members of the patient.

**Procedures** - All admission procedures are to be carried out at the reception desk on the 1<sup>st</sup> floor. The nurse-in-charge will then guide you to your room.

**What to prepare** - please prepare your medical information form, nursing summary and your rehabilitation summary (if you have the same)

**Documents required** - health insurance card, medical certificates

**Things to bring** - bedclothes, underwear, toiletries, pot or small kettle, cups, chopsticks, spoons, tissues, towels, slippers, medicine book, clothes for rehab, shoes, etc

**Concerning Meals** - All meals are served at the right temperature at the right time

Breakfast @ 8:00am      Lunch @ 12 noon      Dinner @ 6:00pm

**Visitation Rules** - To visit a patient, please inquire at the staff station (reception desk area). All visitors must fill out a visitor's form.

## Visiting Hours

- Weekdays 14:00 ~ 18:00
- Weekends & Holidays 14:00 ~ 18:00

## Requests

- ① *Please strictly observe the visiting hours*
- ② *Depending on the patient's condition, visiting hours may be shortened or refused*
- ③ *Please refrain from visiting in large groups or with small children as this may inconvenience other patients*
- ④ *Please refrain from bringing food and beverages. Also, visitors are not allowed to eat in patient's rooms*
- ⑤ *As a rule, telephone calls to patients are to be made only in the case of an emergency.*
