

Barking Mad Dog Grooming and Pet Services

Noise Policy

As we are based in a residential area, it is essential that noise is kept to a minimum. We must ensure dogs entering and leaving the salon do so quietly. It is crucial that owners ensure their dogs do not bark loudly for long periods of time or make loud noises outside of the salon.

We cannot accept dogs who bark persistently or make loud noises for long periods of time during their grooming appointment. We will inform clients of this after the appointment has taken place, as we may not be able to proceed with any further appointments, or we may ask you to collect your dog during their groom if we believe the noise is loud enough or persistent enough to affect the surrounding residents.
