

Transformative Teaching

Teaching is a prophetic mission that needs life-changing seriousness and dedication. Transformative teaching is beyond helping someone achieve certain levels of education. It is about changing and transforming future leaders. Read more on the next page.

Training Offered on Demand

Transformative Teaching Course is offered only on Demand via Zoom or in-person. TT Course is 3-5 days long course focusing on the learner-centered teaching, interactive learning tools, and techniques. Transformation is beyond comprehension of given content. Please contact us via glad@gladintl.org or call us at **+1 831 315 3191** or click on the register button given on training courses page.
