

Corporate Overview

Our executive team has over **25 years** of experience training over **1300 FTE's** with varying levels of proficiencies. For every engagement, we bring our **unique combination of knowledge-based expertise** to minimize or eliminate risks that cost time and money.

Our training solutions are interactive **instructor-led or virtual classes** with accompanying workbooks and educational materials. Participants receive **certificates** following successful completion of exercises and modules.

We interface closely with on-site representatives and our teaming partners to **prevent surprises and prioritize requirements**.

As a **Microsoft Partner**, we have access to unlimited innovation and tailored solutions to **cross and up-train** for **reach-back capability** and to **improve the retention rate** of your workforce.

Our Approach

With our robust teaming partners and access to innovative technology, we focus on providing relevant training at the right time. We specialize in implementing customized solutions that other contractors can not provide.
