This permit application must be accompanied by a detailed site plan showing property boundary lines, the location of all structures on the property and the location of the proposed fence or wall and any gates.

Notice: No changes shall be made from that which is stated in this application, or in attached plans and specifications, except by submitting a revised application, plans and/or specifications and receiving approval of the Chief Building Inspector for such change. Granting of a permit shall not be construed as a permit for or an approval of any violation of the Building Code or any other state or local law regulating construction or the performance of construction. I hereby certify that I have read and examined this application and the information provided herein is true and correct. I further certify that all construction will comply with the Minimum Building Codes.

FENCE PERMIT APPLICATION CHECKLIST

The following list of documentation is required before a permit application will be processed. Incomplete forms will not be processed and will delay permit issuance. Please return this form with all permit application submittals. All documents must be legible.

- _____ Complete fence permit application.
- _____ Contractor licensing documentation if applicable (state license, business license, state issued ID).
- _____ Recorded deed and/or plat of the property.
- _____ Scaled site plan with the dimensions and locations of all existing site improvements and the precise location of the proposed wall and/or fence.

Be Advised: Other documentation may be requested by the Town of Carl as part of the permitting process.
