Notice: No changes shall be made from that which is stated in this application, or in attached plans and specifications, except by submitting a revised application, plans and/or specifications and receiving approval of the Chief Building Official for such change. Granting of a permit shall not be construed as a permit for or an approval of any violation of the Building Code or any other state or local law regulating construction or the performance of construction. I hereby certify that I have read and examined this application and the information provided herein is true and correct. I further certify that all construction will comply with the International Building Codes.

Residential Addition Building Permit Application Checklist

The following list of documentation is required before a permit will be issued for residential construction. Incomplete forms will not be processed and will delay permit issuance. Please return this form with all permit application submittals.

- _____ Completed residential addition building permit application
- _____ Contractor licensing documentation (state, business and driver's) (if applicable)
- _____ Completed subcontractor trade permits (electrical, mechanical/gas, plumbing) (if applicable)
- _____ Subcontractor licensing documentation (state, business and driver's for each trade) (if applicable)
- _____ One (1) set each of physical and digital scaled construction drawings, including foundation plans/details
- _____ Site Plan: scaled drawings depicting the lot boundaries, building setbacks, and all existing and proposed site improvements
- _____ Erosion and sediment control plan (if applicable)
- _____ 1 copy of GSWCC Level 1A certification (Blue Card) (if applicable)
