VISIO DIVINA

Visio Divina (Latin for “Divine Seeing”) is a method for praying with images, including icons, sacred art, and photos. These visual elements provide the environment for entering into silence, setting our minds on prayer and allowing God to speak to our hearts. The experience of Visio Divina invites us to be seen, addressed, surprised, and transformed by God. The Visio Divina workshop will provide time for silence, individual reflection and sharing.

Sr. Victoria is a Certified Photographer, specializing in Visio Divina, Contemplative Photography and Therapeutic Photography. Participants in Sr. Victoria's programs have reflected that she has a gift of literally drawing the viewer into a contemplative space for their own prayerful experience.
