

2026 Community Impact Application

Each year United Way provides the opportunity for non-profit organizations providing human services in Lewis, Marion, Monroe, Ralls, or Shelby Counties to apply to become a Community Impact Agency.

Community Impact Agencies benefit financially from the United Way's Annual Campaign, but are also granted a membership into the United Way providing additional publicity opportunities, notoriety, training, and more. This application is to apply for the distinction as a Community Impact Agency from May of 2026 to April of 2027.

In order to be eligible to apply, the work of organizations must align with United Way's areas of focus and priority areas as well as be in line with priorities outlined in the Community Health Improvement Plan. In depth information on those can be found on the United Way website at

<http://unitedwaymta.org/community-impact> and <https://unitedwaymta.org/community-needs>

Applications and all required documents are due to United Way by Saturday, February 15th at 11:59pm.

Organization's Vision Statement

Never will a senior in our service area be denied a meal because of inability to pay. The Hannibal Nutrition will remain in downtown Hannibal, ensuring seniors access to meals and social contacts for generations to come. As the needs of Hannibal area seniors change, the Nutrition Center will be here to serve.

Provide a 25-word summary of your organization.

Our organization provides congregate and home delivered meals with well-being checks, to senior citizens over age 60 in Marion and Ralls Counties in Missouri.

☐ Specific Project/Program - dollars will be designated to only be utilized for a specific purpose.

☒ General Support - dollars will be considered general revenue to the organization.

Meal service. We deliver meals to senior citizens in the Hannibal and New London areas; for homebound participants we offer a hot meal and a warm smile. We also act as a contact to help those that may be struggling. Secondly, we have an on-site meal program offering a hot meal and socialization with peers. Onsite provides bingo, games, social services and educational programs. It is our hope that by providing a meal, no senior will have to go hungry, and we can keep people out of assisted living, in their homes where we all want to be.

What data shows the work you would do with United Way dollars is needed in our community? Share the correlation between the programs you hope to implement with United Way funds and this data. Share the source of the data.

The need is represented by the amount of intra office intakes and referrals from health care facilities for those in need of services. United Way Funds would hopefully help us to diminish our waiting list for those with unmet needs. These needs were previously being met until state budget cuts required us to limit the amount of services we were able to provide to those individuals.

How will your organization measure the success of the programs it implements in the community? What kind of change/improvement does your organization anticipate seeing in the community by doing your work?

Our success is measured by the number of people that aren't forced into an assisted living situation simply due to food insecurity and lack of good nutrition. Our success is shown by the thank you's from family members that live out of town who know that we feed and check on their loved ones regularly. Our success is measured by the number of intakes we are able to serve. Our success is measured by the smiles that walk through our door as they see their friends and socialize.

Are there other organizations in our community addressing the same need and implementing similar programs who serve the same geographic area as your organization?

No

If your organization would receive United Way funds, which focus area(s) would your work with these dollars align to?

- ☐ Healthy Community
- ☐ Youth Opportunity
- ☐ Financial Security
- ☒ Community Resiliency

Explain how your work would align with the selected focus area(s). Please ensure you have reviewed how United Way defines these focus areas.

An often-overlooked area is food insecurity in senior citizens. With rising costs, many social security incomes are not keeping pace. Some seniors are being forced to choose between their medications, heat, food, rent, and which basic needs they can meet. It is our hope that we can provide immediate, life sustaining food so that they may meet the other basic needs; making for a better more fulfilling life.

If your organization would receive United Way funds, which priority area(s) would your work with these dollars align to?

- ☒ Supporting Critical Services
- ☐ Providing Opportunities for Upward Mobility

Explain how your work would align with the selected priority area(s). Please ensure you have reviewed how United Way defines these priority areas.

Our goal aligns perfectly with the United Way; prioritizing that individuals basic needs are met. It is our thought that by providing the basic need of food, it creates a path for a healthier individual. It also improves mental health by seeing a smiling individual greeting them with their food. They can see that smile and know they are cared for.

If your organization would receive United Way funds, which priority health need(s) outlined in the Community Health Improvement Plan would your work with these dollars align to if applicable?

- ☐ Mental Health & Substance Use Disorders
- ☐ Access to & Affordability of Care
- ☐ Housing & Homelessness
- ☐ Transportation
- ☐ Chronic Disease Prevention & Management
- ☐ Workforce Development (Health & Social Sectors)

Explain how your work would align with the selected priority health need(s). Correlate your work to what is shared in the Community Health Improvement Plan.

Dollars from the United Way of the Mark Twain Area can ONLY be used to support programs in Marion, Monroe, Ralls, Lewis, and Shelby Counties in Missouri. If you serve additional counties, how can you prove dollars are only used to support the work of these counties?

We serve Marion and Ralls Counties.

What other revenue streams are utilized to support the program you are applying to the United Way to receive funding for?

Client contributions, private donors, grants, two state contracts and fundraising. We will also be applying for funding through NEMO AAA.

Explain the impact funding from United Way will have on the work of your organization if selected to receive funding from May 2026-April 2027.

Our organization would be able to increase the amount of meals we are serving to the area. Due to recent funding cuts, we have had to minimize the amount of services we can provide and would like to fully be able to provide those services again.

Explain any collaborations with other agencies.

We are always open to collaborate with other agencies in any capacity.
