First Aid for Youth Mental Health

LEVEL 2

The qualification is suitable for anyone who actively connects with children such as parents, carers, teachers, youth group leaders and young adults. The qualification has been designed with children and young people in mind will provide the knowledge and skills to identify a potential mental health condition, start a conversation, and provide support and guidance to professional help.

- **Study the course via distance learning**
- **A combination of self-study and webinars**
- **Guided by a qualified Trainer/Assessor**
 - **Distance learning resources included**
 - **Assessed via a professional discussion**
- **Ofqual or SQA Accreditation regulated qualification (SUBJECT TO ASSESSMENT)**

The qualification has 3 assigned guided learning hours (GLH) and 7 hours total qualification time (TQT). GLH indicates the number of contact hours that the learner will have with the Trainer/Assessor. TQT includes GLH but considers unsupervised learning and is an estimate of how long the average learner will take to achieve the qualification. It is beneficial for the learner to undertake additional independent learning for example, by doing research on the internet.

A range of First Aid for Mental Health related subjects are covered including:

- **What is First Aid for Youth Mental Health?**
- **Identifying mental health conditions**
- **Stress**
- **Mental health conditions**
- **First Aid for Mental Health action plan**
