4. Points will be awarded in all classes and divisions on a 10,9,8,7,6,5,4,3,2,1 basis for 1st place through 10th place, regardless of the number of entries. If two or more riders tie, the points for the tied positions will be added together and divided equally among the riders who tied. For example, if there is a tie for first and second places in a race, the total points of nineteen (10+9=19) will be divided in half (9.5 each).

First Place	10 Points	Sixth Place	5 Points
Second Place	9 Points	Seventh Place	4 Points
Third Place	8 Points	Eighth Place	3 Points
Fourth Place	7 Points	Ninth Place	2 Points
Fifth Place	6 Points	Tenth Place	1 Point

5. Should fewer than ten horses place in a division, points will be awarded beginning with ten points for 1st place.

6. Points will not be awarded for any run during which a contestant knocks over a barrel in the Open, Senior, Novice and Youth. A knocked over barrel is a no time. With the exception of the Leadline, PeeWee and Junior, a knocked over barrel in those classes is a plus 5 penalty (+5).

7. Each nominated horse/rider combination will be eligible to receive one year end award per class nominated in, not including special awards.

9. Races must be listed in the newsletter at least (7) days prior to the race. If newsletter cannot be sent, all members are telephoned seven (7) days prior to the show in order for points to count. It is the member's responsibility to check on possible changes in scheduled races due to weather conditions. CBBRC has a website and Facebook page where information gets updated.

10. Points can only be accumulated in one race per race date. Those points are accumulated in the division they are nominated in. Members shall run in the division nominated in for the entire season.

11. Points shall stand as published unless contested and proven incorrect by the rider.

12. Once horse/rider combination has nominated for CBBRC 5D Novice, they must remain in that division for that CBBRC year; regardless of lifetime earnings after time of nomination.

13. In 2013, nominations in the novice classes (1000, 500, 250 and 100) will be based on lifetime dollars won. Starting with the 2013 season, horses will begin earning lifetime points with CBBRC. Lifetime points will be equal to lifetime dollars won and points earned at CBBRC Races (2013 and beyond accumulated). Nominations in 2014 will be based on lifetime points.

No.13 and the following 3 examples need to be followed by ALL novice horses, it is your responsibility to know your horses LTE(life time earnings) as well as CBBRC LTP(life time points); CBBRC Novice horses must have less than \$500 LTE or LTP or LTE/LTP combined at the time of nomination.

Example#1

Horse X has lifetime earnings of \$450. He is nominated into the \$500 novice division for 2013. During the 2013 season, Horse X accumulates 60 points at CBBRC races and earns no other money. In 2014, Horse X will be required to be nominated in the \$1000 novice division because his lifetime points with CBBRC are \$510 (\$450 lifetime dollars and 60 CBBRC points).

Example #2

Horse Y has lifetime earnings of \$750 dollars. He is nominated into the \$1000 novice division for 2013. During 2013, Horse Y earns \$500 at jackpot races but does not earn any points at CBBRC club races. In 2014, Horse Y will no longer be eligible for the novice division at CBBRC club races but will be eligible for the divisions that do not have earnings requirements (Open, Senior, Junior, etc.).

Example #3

Horse Z has lifetime earnings of \$0. He is nominated in the \$100 novice division. During the 2013 season, Horse Z accumulates 45 points. Horse Z will be eligible for the \$100 novice division in 2014. In 2014, Horse Z accumulates 75 points in the \$100 novice division. In 2015, Horse Z will be required to nominate in the \$250 novice division because their lifetime points equal \$0 dollars won and 120 CBBRC lifetime points.

AWARDS

1. Awards will be presented at annual awards banquet after the last competition race of the year.
2. There will be 4 (first through fourth place) standard awards given in each division of the 5D Open, 5D Novice, 3D Senior, 3D Youth, Juniors and PeeWee with the exception of the Lead Line class; Lead Line will receive one standard award for first through fourth place. An overall Open high point award for the season will also be awarded.

3. Any nominated horse/rider combination must participate in a minimum of five (5) approved club points races to be eligible for a year end award(s) and the rider must have performed a minimum of five (5) duties for each nominated horse/rider combination. A portion of those 5 duty points must be obtained while working a fundraiser "classic" race. Each nominated horse/rider combination must work a minimum of one Classic Race to be eligible for a year end award(s). With prior notification to the board other duties may be assigned to make up for missed work at the Classic Races. A nominated horse/rider combination can "opt-out" of working a Classic Race by obtaining a buckle sponsor; that buckle sponsor MUST be turned in no later than August 1st. All duty points/race requirements must be met by the final Tuesday night club race of the season (with the exception of the buckle sponsor being due no later than August 1st).

4. Awards will be purchased according to the end of the year budget.

6. There will be a "cap" on the dollar amount for each division for yearend awards. For example: \$300.00 - \$400.00 per division.

7. "Special Awards" may be given as follows:

b. Sportsmanship- Judged on good attitude/behavior of member towards club & other competitors/members; gracefully winning &/or losing, lifting others up.

c. Service Award- Judged on the individual(s) who have served the C.B.B.R.C. over and above that of which is expected.

d. Most Improved Horse- Judged on a horse's improved performance during the club year.
