## **EST. 2025**

We're proud to announce the re-establishment of the Columbia Basin Barrel Racing Club (CBBRC)!

Originally founded in 1998 by a dedicated group of women who wanted an affordable, welcoming place to season young horses and support new riders, the club continues today with those same core values at heart.

Now re-established in 2025, CBBRC remains committed to providing a fun, family-friendly and affordable environment for riders of all levels. Whether you're bringing along a young horse, just getting started or simply love the sport of barrel racing – we can't wait to see you in the arena!

Stay tuned for updates on upcoming events, memberships and our season adventures.

# Maria Pearson

It is with heavy hearts that we share the passing of our club member and friend, Maria Pearson, on December 13, 2025.

Maria was more than just a member of our club—she was a kind presence, a supporter, and someone who truly cared about this community. Her love for horses and the people around her was evident in everything she did, and she will be deeply missed by all who had the privilege of knowing her.

Our thoughts, prayers, and deepest condolences are with Maria's family and loved ones during this incredibly difficult time. May they find comfort in the memories she leaves behind and in knowing how much she meant to this club.

Ride free, Maria. You will always be part of us. 🐴❤️
