

# CBBRC August Newsletter

*"Our greatest glory is not in never falling, but in rising every time we fall"*  
-Confucius

*Our season is sadly coming close to an end and we want to thank everyone for all the help make it such a success! We have two Tuesday Night Club Races left and two Classic Races left for the 2021 season. Reminder that for every horse/rider combo you have, you must have five duty points to qualify for year-end awards. You must also work at least one Classic Race or provide a buckle sponsor instead!*
