

# CBBRC May's Newsletter

*"When it rains, it pours... but soon  
the sun shines again.*

*Stay positive.*

*Better days are on their way.*

*We hope everyone is staying healthy and safe during this recent state emergency! We ask during this time for your patience as many of our races may have to be rescheduled! Please watch our Facebook and website for any updates!*

## Reminder on Duty Points

To receive year end awards any horse/rider nominated combination must perform a minimum of five duties at CBBRC club races and must work a minimum of one CBBRC classic race. If you choose to "opt-out" of working a Classic race, there is the option of obtaining a buckle sponsor. This buckle sponsor must be turned in no later than August 1st. All duty points requirements must be met by the final Tuesday night club race in exception to the buckle sponsor option.

This information is located in the Rule book on page 19, more information on duty points found on page 11&12.
