In Loving Memory

We would like to take a moment to honor and remember two valued members of our community, Maria Pearson and Randy Pugh.

Maria was a cherished member whose presence brought kindness and dedication to our club. Randy, a generous sponsor, played an important role in supporting our events and helping our community grow.

Their contributions, both in and out of the arena will never be forgotten. They will be deeply missed and always remembered.

YOUTH CLINIC RECAP!

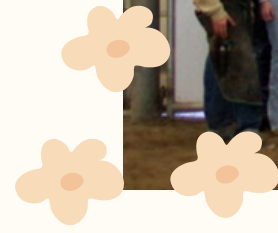

March 21st was one for the books at the Harwood Arena! The morning was packed with hands-on learning! A few of our board members were spotted hard at work - Laurie breaking down nutrition, Arlene teaching vet supplies and doctoring and Annabel bringing the heat with a live hot shoeing demo!

Along with these, there were several other stations available covering essential horse knowledge, giving the kids a well-rounded, real-world experience.

We rolled into the afternoon with Kandyce Kooley leading an awesome riding clinic, helping these kids build confidence and sharpen their skills in the saddle.

**Huge shoutout to all of the volunteers!
This day wouldn't happened if it wasn't for you guys!
And thank you to the Girl and Boy Scouts for showing up and making it such a fun, memorable day!**

Safe to say...the future of our sport is looking GOOD!

***Please note: Some minors' faces have been covered in photos at the request of their parents/guardians**
