Vision of the Centre

The vision of the KITM College is active participation and contribution of students in strengthening the socio-economic status of the nation and motivating them towards peaceful and value based life.

Mission of the Centre

Equipping the students in various skills according their abilities, by providing equal opportunities and quality education to motivate them for choosing appropriate employment.

About Us

KITM College, Khatima is an innovative academic unit of Soban Singh Jeena University, Almora Uttarakhand which is directly related to impart refined and advanced Professional education to the students. The Centre is specifically designed as a platform for recognizing the work abilities of students and to skill them in specific vocation. Under the flagship of Soban Singh Jeena University, Almora the KITM College is generating well trained and skilled human resource to meet the demand ratio of various industries. The priority and main objective of the College is to excel the skill of the students through various courses as per the direction and guidelines of UGC, following the multiple exit system i.e. the unique feature of National Policy of Education-2020. Focusing on the quality education and providing opportunities for better employability on the basis of student's skill is the main aim of the College. The courses are being conducted on the basis of Public Private Partnership mode (PPP). Courses are selected on the basis of availability of resources and need base analysis of the stake holders. It also positively contributes towards acceleration of the socio-economic status and overall development of the nation.
