ARTICLE 3. ASSESSMENTS

3.1 Budget and Assessments

The Association shall annually adopt a budget of common expenses and levy assessments on the Lots allocating such assessments equally to each Lot, subject to the limitations herein. The budget shall include amounts representing assessments that are bad debts, and may but need not include a replacement reserve, which in each case shall constitute part of the general assessments. The Association may also levy (a) special assessments on all Lots for any purpose for which a general assessment may be levied and (b) special assessments, or fines on particular Owners for the purpose of collecting any amounts due the Association or enforcing compliance by such Owners with any provision of this Declaration, the Bylaws or any Rules. Declarant shall be entitled to reimbursement from the Association for such expenditures if there are surpluses in that fiscal year.

ARTICLE 4. MAINTENANCE AND ALTERATIONS

Each Owner shall reimburse the Association for the cost of the Association's repair or replacement of any portion of the Common Areas or Common Improvements damaged through the fault or negligence of such Owner or such Owner's family, guests, invitees or tenants. Each Lot shall be occupied and used only for single family residential purposes and for no other purpose. No trade or business shall be carried on anywhere in the Subdivision, except for (1) the incidental use of a Lot for personal business conducted by mail and telecommunications which does not burden the use of the Subdivision by frequent visits by business service providers or customers, subject to any Rules relating to such burdens, or (2) the sale of Lots, subject to the other provisions of the Laurel Springs Subdivision Documents and any Rules related thereto, or (3) the establishment of offices by Declarant or its agents for sales of Lots or by the Association for conducting its affairs. For purposes of this section, "immediate family" is limited to parents, grandparents, children, grandchildren, siblings, or in-laws. Notwithstanding the foregoing, an Owner shall be responsible to the Association and each other Owner for any breach of any provision of the Laurel Springs Subdivision Documents caused by an

Occupant. The Association will only need to deal with the Owner and may, but shall not be obligated to, address any breach with the offending Occupant. Any Owner may lease a residence on a Lot for a term of not less than six (6) months. Any lease or rental agreement must be in writing.

5.3 Vehicles

- a) No person shall occupy, park or otherwise use a vehicle so as to block access to a Lot. No vehicle maintenance or lubrication shall be permitted anywhere in the Subdivision except washing of cars in driveways or maintenance performed within a garage.
- b) Owners shall use their best efforts to store vehicles in garages. When more vehicles are actively used by household members, the vehicles shall be parked in driveways and not on the street. Except for temporary parking as defined later, there shall be no outside storage of boats, trailers, buses, large trucks, or campers (such vehicles, "Temporary Vehicles"). Temporary parking of Temporary Vehicles shall be allowed between April 15th and November 15th of each year and shall be on site no more than a total of 90 days per year or no more than two weeks at a time during such seven (7) month period. Notwithstanding the foregoing, inoperable vehicles or other vehicles deemed to be unsightly by Declarant or the Board shall not be allowed to be parked in the driveways at any time. The purpose of this provision is to provide an aesthetically pleasing subdivision for all residents. The Board shall use its best efforts to fulfill this purpose for the good of all Owners.

5.4 Waste

Accumulations of waste, litter, excess or unused building materials or trash other than in appropriate receptacles is prohibited, and garbage containers shall be situated only in locations designated by the Association. No incineration of waste is permitted on the Property. Lots shall be kept free of debris during construction of improvements thereon by maintenance of a dumpster on-site. The refuse and garbage receptacles for each occupied home shall be stored in the residence or garage, except for a period of 12 hours prior to and following the scheduled garbage pickup.

5.5 Restricted Dumping

No construction material, grass clippings, rocks or other debris or waste materials shall be dumped by any Owner onto any Lot which is vacant within the Subdivision.

5.6 Temporary Structures

No structure, trailer, tent, shack or barn, temporary or otherwise, shall be placed or maintained on any portion of a Lot or Common Area without written approval

of the Board, except for construction trailers maintained by Declarant and its successors and assigns, or the Association.

5.7 Quiet Enjoyment

Each Owner shall have the right to use its property in accordance with this Declaration and applicable law, free from unreasonable interference from any other Owner, Occupant and other invitee. No person shall cause or permit the Common Areas to be used so as to deny any Owner or Occupant the full use of the Common Areas except as permitted by the Association under Section 2.5.

5.8 Noxious Activity

No use or practice shall be allowed in the Subdivision or the Common Areas which is immoral, improper or offensive in the opinion of the Board or which is in violation of the Laurel Springs Subdivision Documents. By way of example and not limitation, offensive activity shall include excessive amplification of musical instruments and/or audio or audiovisual equipment.

5.9 Patios and Balconies

Patios, decks and balconies of Buildings on Lots shall not be used for storage of any kind, including, but not limited to, the storage of motorcycles, baby carriages, bicycles or wagons.

5.10 Signs

No Owner or Occupant, except Declarant, may erect, post or display posters, signs or advertising material on the Common Areas or at locations within a Lot which are visible from the public streets or Common Areas without the prior written consent of the Board, except that an Owner may within the Lot erect or post a temporary sign of customary and reasonable dimension relating to the Lot being for sale or for an open house of a Lot for sale. Where Board consent is sought and obtained, the permitted signs will be erected and maintained in accordance with all ordinances, rules, regulations and conditions applicable thereto. "Signs" as used herein shall be construed and interpreted in the broadest possible sense and shall include any placard, posters or other such devices as may be affixed to the interior of any exterior windows so as to be visible from the exterior of the Building.

5.11 Environmental Matters

Each Owner and Occupant shall comply with all applicable Rules, governmental statutes, ordinances, regulations or rules relating to the storage, transport and release to, from, on or in such Lot of any hazardous substances, pollutants or contaminants.

5.12 Pets

No animals, livestock, reptiles, poultry, or birds of any kind shall be raised, bred or kept within the Subdivision, except as allowed by Village ordinance. No animals within the Subdivision shall be kept, bred or maintained for any commercial purposes. No pet shall be permitted which causes an unreasonable

disturbance as determined by the Board, at the Board's sole discretion. The Board shall establish and enforce rules and regulations regarding pets, which shall be followed by all owners that keep pets. The Board may order the removal of any pet at any time in its sole discretion after notice and a hearing if such pet is or becomes offensive, a nuisance or harmful in any way to the Subdivision or those occupying or owning therein. The Association may charge a fee of any pet owner to cover the Association's administrative or enforcement costs. All pets shall be housed indoors and, if allowed outdoors, shall be kept on a leash unless the Architectural Control Committee has approved of a dog kennel as provided herein. Any pet excrement in portions of the Subdivision other than the pet owner's Lot shall be removed immediately by the Occupant of the residence in which the pet resides. A violation of the provisions of this paragraph shall subject the Lot Owner responsible for such violation to additional special assessments by the Board for the enforcement costs, including but not limited to reasonable attorneys' fees incurred by the Association incident to the enforcement of this paragraph and the rules and regulations established by the Board.

ARTICLE 6. ARCHITECTURAL CONTROL

6.1 Architectural Control Committee

Declarant shall establish an Architectural Control Committee ("ACC"), related to the Association as provided herein, which shall consist of the Board. One or more Committee members may delegate their Committee duties to any one or more of the other Committee members. Buildings and other improvements installed by Declarant, or existing on the date hereof, shall not be subject to any of the terms and conditions contained in this Article 6.

6.2 Prior Approval for Improvements

Prior to the commencement of any of the activities listed below, the Owner(s) of the Lot shall submit to the ACC two (2) copies of a sketch or survey ("Drawings") of the affected Lot prepared by a licensed surveyor, engineer, architect or designer:

- a) The construction of any Building or other improvements on any Lot, or the reconstruction thereof following a casualty loss thereto, or
- b) The demolition of any Building or other improvements on any portion or portions of a Lot, or
- c) The painting, decoration or alteration of the exterior of any Building or other improvement on a Lot, or
- d) The installation of any awning, enclosure, hot tub, deck, garden, swimming pool, grading, mailboxes, fixed grill, fences or other landscape features on any such property.

6.3 Prior Approval for Changes

If after the completion of any approved improvements to a Lot, the Owner thereof desires to construct any additional improvements to the Lot or to substantially alter the then existing improvements or the grade of the affected Lot, the Owner shall comply with the provisions of Section 6.2 above. A proposed alteration will be deemed substantial if it affects the location or exterior appearance of the prior approved improvements.

6.4 Review and Approval Process

None of the activities listed above in Section 6.2 shall take place without the prior written or deemed approval, as defined in Sec. 6.4 b) 2), by the ACC of the Drawings for any such proposed activity, except if the activity is the repair or replacement of previously approved exterior features with features that are identical or if the action is the repainting of an exterior surface with paint of the same color.

- a) The **Drawings** shall include the following:
 - 1) the location, size, elevations and type of Building(s) and other improvements, including, but not limited to, homes, garages and fences or other matters proposed to be erected or reconstructed on such property,
 - 2) detailed plans and specifications for construction or reconstruction, including building material, type and color and plans to screen the demolition, construction or reconstruction from view, and
 - 3) the proposed landscaping.

- b) **Standards and Procedural Matters of Consideration for Approval**
 - 1) The ACC shall review and consider any Drawings submitted to the ACC provided that any fees imposed for ACC review have been paid by the Owner(s). In considering the Drawings, the ACC shall consider whether all of the proposed activities proposed in such Drawings comply with the terms of this Declaration and the Village ordinances and in the ACC's sole opinion, do not detract from or depreciate any portion of the Property, even if the Drawings otherwise do not breach any other standard set forth in this Declaration. The ACC may approve Drawings (absolutely or conditionally) or may object to Drawings (absolutely or conditionally). The ACC may not disapprove of any reconstruction of any Building or other improvements on any portion or portions of such property following a casualty loss thereto.

 - 2) If the ACC fails to approve of or object to the Drawings within sixty (60) days after submittal of the complete Drawings and

payment of any review fees to the ACC, the Drawings shall be deemed approved as submitted. If the ACC objects to Drawings in whole or in part for any reason, the submitting Owner shall thereafter resubmit Drawings to the ACC with such revisions as are required. Each time an Owner so submits the Drawings, the ACC shall have the right to approve or object to the Drawings within sixty (60) days after the submittal of the complete revised Drawings and the payment of any additional review fees to the ACC.

- 3) Following the ACC's approval of the Drawings, the improvements described therein shall be developed strictly in accordance with the approved Drawings. If the approved improvements are not completed within one (1) year of their initial approval, then such approval shall be deemed withdrawn and the same or different Drawings required to be submitted or resubmitted, as the case may be. The ACC may, in its discretion, extend the withdrawal period by up to an additional 6 months if it reasonably determines that the delay has been primarily caused by factors outside of the control of the Owner.

6.5 Separate Village Approval

Matters which require approval of the ACC may also require approval of the Village. Obtaining approval from the ACC and from the Village is solely the responsibility of the Owner desiring approval. Approval of Drawings by the ACC shall not be deemed approval by the Village and approval by the Village shall not be deemed approval by the ACC. Prior to the issuance of a building permit for any Lot, the Owner shall submit to the Village Building Inspector for approval of a copy of the stake out survey showing the street grade in front of the Lot, the finished yard grade, the grade of all four corners of the Lot and the grades of the adjoining Lots at the building corners or if vacant, at the building pad corners, the existing and proposed contours, easements, culverts and/or storm sewers.

6.6 Procedures and Budget

The ACC may set its own operating procedures consistent with this Declaration. The costs of operating the ACC shall be assessed by the Association as common expenses, except as permitted below. The ACC may, but need not require the payment of a review fee by an applicant Owner in connection with the submittal and review of any Drawings. The ACC may engage and employ consultants (e.g., architects, engineers or attorneys) either on a general or on a case-by-case basis, and the costs thereof may be charged to an applicant Owner. The members of the ACC shall not receive any compensation for serving on the ACC but may be reimbursed for expenses incurred in performing their duties. All funds relating to the ACC shall be handled by the treasurer of the Association.

6.7 Uniformity Standards; Waiver

The ACC may adopt additional written standards of uniformity, setback, grading, landscaping, basements, roofing, or exterior, whether generally or for certain types of improvements. The ACC may waive any such standard which it has adopted, may waive any standard contained herein, and may waive any floor area requirements by up to 10% so long as the reduction does not exceed the minimums provided by the Village of Jackson Zoning Ordinance. The ACC may in its discretion also permit comparable or superior construction materials as substitutes for those required in this Declaration. Any such waiver or approval must be express and in writing. The ACC may enforce any standard even if it has, expressly or by acquiescence, permitted previous deviations from such standard. Any variance granted hereunder may be conditioned, and may be permanent or time-limited (and if not expressly time limited will be deemed to be effective for so long as the use of such property is not materially altered). The ACC may waive any standard even in the absence of an “unnecessary hardship”; those judicially determined standards for granting variances under zoning regulations shall not apply to the ACC.

6.8 Indemnification

Each member or former member of the ACC, together with the personal representatives and heirs of each such person, shall be indemnified by the Association against all loss, costs, damages and expenses, including reasonable attorneys’ fees, asserted against, incurred by, or imposed in connection with or resulting from any claim, action, suit or proceeding, including criminal proceedings, to which such person is made or threatened to be made a party by reason of service as a member thereof, except as to matters resulting in a final determination of negligence or willful misconduct on the part of such member. In the event of a settlement of such proceeding, this indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of negligence or willful misconduct in the such person’s performance as a member in the matter involved. This right of indemnification shall be in addition to all other rights and defenses. All liability, loss, damage, costs and expense incurred or suffered by the Association in connection with this indemnification shall be a common expense. Nothing herein shall be deemed an indemnification of such person with respect to such person’s status as an Owner, Occupant or otherwise.

In general, no fence erected on any residential Lot shall be higher than four (4) feet from the graded surface of the ground on which it is erected with the exception of privacy fences installed near the home for the purpose of screening views between neighbors from side to side. In this situation the privacy fence shall be no more than six (6) feet from the graded surface of the ground. No chain link fencing shall be permitted.

Fences are not allowed to encroach into electrical easements without permission from the utility provider. 3. Elevated to a height to be determined by the ACC.
4. Fitted to use a light-bulb of no more than 100 watts.
5. Illuminated from dusk to dawn by means of a photocell.

Prior to occupancy of a residence on a Lot, the Owner must demonstrate to the ACC that the light post and lantern is connected to electrical service (paid for by owner). Each owner shall maintain its light post in good condition and working order with working light bulbs, and shall make certain that electrical services are continued to the lamp.

- r) **Pools**
Pools may be installed on a Lot only with approval of the ACC, which will be acting reasonably if it does not approve a pool which is not completely enclosed by a secure wall or fence with a self-closing or self-latching gate or door (at the top of such gate or door) and if the pool is not properly screened from view by proper landscaping. Notwithstanding the foregoing, the ACC may deny a request for an above-ground pool if the general appearance of the above-ground pool improvements is not of a high quality of aesthetics.
- s) **Walkways**
All walks leading up to the front door must be paved with a hard surface such as concrete, stamped concrete, brick or flagstone. Asphalt walks are not allowed.
- t) **Decks**
Decks must be located to the rear of the dwelling.
- The height of the deck is limited to the ground level finished floor line on single story homes and to the second story finished floor line on two story homes.
- Decks may be constructed of treated wood or composite as long as the material is in harmony with the adjacent home. Decks may have a clear or tinted preservative stain applied to them or be left to weather naturally. Paint is not permitted on the walking surface of the deck, but can be applied to hand railings and all other surfaces.
- u) **Patios**
Patios must be constructed with a hard surface material such as concrete, stamped concrete, brick pavers, flagstone or similar materials as long as the material is in harmony with the home.
- v) **Fixed Grills**
All fixed grills must be approved by the ACC. Permanent grills should be placed behind the rear elevation of the house and should not be placed within ten (10) feet of the side and rear property lines.

- w) **Dog Kennels**
Dog kennels must be located immediately adjacent to the dwelling in the rear yard of the Lot and must be approved by the ACC prior to construction. The ACC may condition any approval for a dog kennel by requiring the appropriate screening of the dog kennel.
- x) **Utilities**
All utilities must be installed underground.
- y) **Solar Collectors**
No exterior active solar collectors shall be erected, installed or used unless presented in drawings and approved by the ACC.
- z) **Accessory Structures/Sheds**
All storage sheds and accessory structures shall be of a style, color, and building material consistent with the residence on the Lot. Pre-fabricated sheds are not allowed. All sheds and accessory structures must be approved by the ACC prior to its construction. If an owner desires to connect electricity to a shed or accessory structures, whether at or after the time of the initial construction, the installation of electrical connections must be underground.

6.10 Landscaping Requirements & Guidelines

- a) **Existing Vegetation**
No existing live tree with a diameter of four inches or more, at a height of four feet above the ground shall be cut down, destroyed, mutilated, moved, or disfigured without the approval of the ACC.
- b) **Grading**
Declarant and the Village of Jackson have agreed to a certain Storm Water Management Plan and Master Grading Plan on file in the office of the Declarant and the offices of the Village's Building Inspector. Each Lot Owner shall conform to the Storm Water Management Plan and Master Grading Plan and shall not alter the grades established in such plans unless the Village Engineer approves a change. In the event of a conflict between any proposed drawings and the Storm Water Management Plan or the Master Grading Plan, the Storm Water Management Plan and/or the Master Grading Plan shall control. The Declarant and the Village, their agents, employees or independent contractors shall each have the right to enter upon any Lot after giving reasonable notice to the Owner for the purpose of inspection, maintenance, correction or any drainage condition, and the Owner is responsible for the costs thereof. Owner shall be provided with a written notice of any drainage condition requiring maintenance or correction and given thirty (30) days to cure such

condition before the Declarant or Village will rectify such condition at Owner's cost.

c) Ponds

No ponds shall be constructed on a Lot without the prior approval of the Village. Rain gardens are encouraged to help slow the rates of storm water runoff, but the ACC must first approve them.

d) Lawns

Each homeowner is required to plant a lawn (seed or sod) within the first twelve (12) months after receipt of the occupancy permit from the Village.

e) Plantings

1. **Foundation Plantings** – At a minimum, each homeowner is required to plant a foundation planting in the front of their house within the first twelve (12) months after receipt of the occupancy permit from the Village. The foundation planting will contain a minimum of twelve (12) shrubs of at least two (2) gallon size with a minimum total of twenty (20) plantings. Plantings may consist of any combination of shrubs, perennial plants, decorative grasses, etc.

2. **Trees** – Each homeowner is responsible for planting one (1) shade tree and one (1) ornamental tree in the front yard of the Lot. The shade tree must be a minimum of 1.5” caliper and selected from the approved list attached to this document as exhibit B. The trees must be planted within the first twelve (12) months after receipt of the occupancy permit from the Village. An extra shade tree may be substituted in place of the ornamental tree. Ornamental trees can be described as trees that enhance the dimension of the landscape with flowers, leaves, fruit, and spectacular fall color. Ornamental trees are also compact in size which makes them suitable for use in areas where shade trees are not appropriate.

3. **Grading**- All Grading must comply with the approved master grading plan. The homeowner assumes all responsibility to make sure compliance is followed during their landscape process. Builder/Declarant assumes no responsibility if non-compliance of the master grading plan occurs. Reestablishing of drainage swales and surface water drainage prior to landscaping may be required due to settling or erosion runoff that may have occurred prior to owners landscaping.

f) Vision Triangles

There shall be no planting of perennials, shrubs, or trees within the vision triangles located at the intersection of all streets that exceeds a height of

twenty-four (24) inches. Refer to the Village Ordinances to determine the size of the vision triangle.

g) Retaining Walls

Retaining walls are to be built out of boulders or manufactured stone products. Railroad ties, sawn timbers or any other wood product are prohibited as retaining wall structures.

h) Maintenance

Each Lot Owner is responsible for keeping their Lot free from debris and weeds prior to the planting of grass on the Lot. Each Subdivision Lot Owner adjacent to delineated wetlands shall not mow or otherwise disturb any plants, trees, bushes, grasses, animals or other things growing, living or located in a delineated wetland, or other environmentally sensitive area.

Until grass is planted on each Lot, the Lot Owner shall be responsible for compliance with the Village of Jackson's Weed Control Ordinance. Each homeowner is responsible for keeping the lawn and landscape in their yard in good maintenance. Should the landscaping be left in an unmaintained state as to become a nuisance or an eye sore, the ACC retains the right to remedy the nuisance and assess the costs back to the homeowner. Owner shall be provided with written notice of situation and will be afforded fifteen (15) days to cure such condition before the ACC can take action.

ARTICLE 7. INSURANCE

7.1 Association Insurance

The Association shall obtain and maintain comprehensive general public liability insurance for occurrences on the Common Areas (including areas which are included in such definition by virtue of easements granted herein) and with respect to Common Improvements not in the Common Areas, all-risk casualty insurance coverage on all Common Improvements, and such other policies and/or coverages as the Board deems necessary or advisable.

7.2 Coverage of Association Insurance

The casualty insurance coverage shall be in an amount equal to the maximum insurable replacement value, with an "agreed amount" and a "replacement cost" endorsement, without deduction or allowance for depreciation. This coverage amount shall be annually reviewed and shall insure against loss or damage by fire and other hazards as commonly covered by a standard extended coverage endorsement and such other hazards as customarily covered with respect to buildings similar in construction, location and use. Comprehensive general liability coverage shall be in such amounts as the Board determines annually, but not less than \$1,000,000 per occurrence.

7.3 Proceeds

Association Insurance proceeds for casualty loss shall be for the benefit of the Association in order to finance construction of damaged Common Areas or Common Improvements. Liability coverage and other insurance proceeds shall be applied as the Association directs.

7.4 Cost

All premiums for Association Insurance and other insurance obtained by the Association shall be a common expense.

7.5 Waiver

The Association and, by acceptance of a conveyance to a Lot or Outlot or the use thereof, or any portion thereof or interest therein, each Owner or Occupant acting both for themselves and for their respective insurers, waive any claim it or they may have against the other for any loss insured under any policy obtained by either to the extent of insurance proceeds actually received, however the loss is caused, including such losses as may be due to the negligence of the other party, its agents or employees. All policies of insurance shall contain a provision that they are not invalidated by the foregoing waiver, but such waiver shall cease to be effective if the existence thereof precludes the Association from obtaining any policy of insurance at a reasonable and customary rate.

7.6 Acts Affecting Insurance

No Owner or Occupant shall commit or permit any violation of covenants or agreements contained in any of the Association Insurance, or do or permit anything to be done, or keep or permit anything to be kept, or permit any condition to exist, which might (a) result in termination of any such policies, (b) adversely affect the right of recovery thereunder, (c) result in reputable insurance companies refusing to provide such insurance, or (d) result in an increase in the insurance rate or premium over the premium which would have been charged in the absence of such violation or condition, unless, in the case of such increase, the Owner or Occupant responsible for such increase shall pay the same. If the rate of premium payable with respect to the Association Insurance shall be increased by reason of, (1) the size, design or composition of a Building, (2) anything done or kept in a property subject to this Declaration, or (3) the failure of an Owner or Occupant to comply with Association Insurance requirements, or (4) the failure of any such Owner or Occupant to comply with this Declaration or the Bylaws, then the particular Owner or Occupant shall reimburse the Association for the resulting additional premiums. The Association reimbursement right is without prejudice to any other Association remedy and may be enforced by special assessment against the particular property involved.

7.7 Exclusions From Coverage

Association Insurance coverage shall exclude (a) coverage on any residence or personal property located within or pertaining to the exclusive use of an Owner except to the extent included as a standard coverage in the policy of Association

Insurance; and (b) liability coverage on an Owner or Occupant, its guests, invitee, employees or tenants, arising out of any occurrences within a Lot and/or relating in any way to an Owner's or Occupant's personal property. It is the sole responsibility of each Owner or Occupant to obtain such insurance coverages as are excluded from Association Insurance.

ARTICLE 8. AMENDMENT OF DECLARATION

8.1 General

This Declaration and all terms and conditions hereof shall constitute covenants and restrictions running with the Property forever, and shall be binding upon all persons claiming an interest in a Lot or any portion of the Property. Until all Lots subject to this Declaration are subject to an occupancy permit, subject to Declarant's reserved rights, this Declaration may be amended by recording a written instrument executed by or on behalf of the Owners of Lots having at least seventy percent (70%) of the total votes allocated to Lots and Declarant Lots, of which one vote must be that of the Declarant. After all Lots subject to this Declaration have been sold by Declarant, this Declaration may be amended by recording an instrument executed by or on behalf of the Owners of at least seventy-five (75%) of the Lots subject hereto. Each Owner shall have the right to cast one vote for each Lot owned by that Owner. Declarant shall have three (3) votes for each of the Declarant Lots it owns. In addition to the amendment requirements stated above, any amendment must be approved by at least 51% of the Mortgagees.

8.2 Procedures

Amendments shall be prepared and executed by the president of the Association and shall become effective when recorded in the Register's Office. No action to challenge the validity of an amendment shall be commenced more than one (1) year after the amendment is recorded.

ARTICLE 9. RIGHTS OF MORTGAGE HOLDERS

9.1 Notice

Any Mortgage holder, insurer or guarantor of a Mortgage on a Lot who submits a written request to the Association, identifying the name and address of such holder, insurer or guarantor and the property involved, will be entitled to timely written notice of:

- (a) Any thirty (30) day delinquency in the payment of assessments owed by the Owner of the property on which it holds a Mortgage or any breach of the provisions of any of the Laurel Springs Subdivision Documents which is not cured by such Owner within thirty (30) days of such Owner's receipt of notice of such breach;

- (b) A lapse, cancellation or material modification of any Association Insurance; and
- (c) Any proposed action that requires the consent of a Mortgage holder as specified in Article 8.

9.2 Mortgagee Acquisition of Lot

A Mortgagee acquiring title to a Lot pursuant to remedies provided in its Mortgage or by a deed in lieu of foreclosure following an Owner's default under the Mortgage shall not be liable for such property's unpaid assessments under this Declaration accruing prior to the Mortgagee's acquisition of title to such property (except to the extent unpaid assessments are included in subsequent budgets generally).

ARTICLE 10. RIGHTS OF DECLARANT

10.1 Reserved Rights

Pending the sale of all Lots by Declarant, Declarant:

- (a) may use the Outlots, and any unsold Lots in any manner as may facilitate the sale of Lots including, but not limited to, maintaining a sales and/or rental office or offices, models and signs and/or showing the Lots. Declarant may from time to time also delegate such rights (on a non-exclusive basis and subject to such conditions as Declarant may impose) to persons desiring to construct Buildings on particular Lots as model homes. In delegating such rights to other persons, Declarant's delegees shall not have the right, without Declarant's express written consent, to locate a general office operation in any such model home, although use of a model home to facilitate sales of Lots or sales of Buildings on Lots may be permitted so long as that (1) once a model home is used as a residence for an Occupant, it may not thereafter be used as a "model home"; and (2) construction materials shall not be delivered to or stored at a model home, except for construction of such model home.
- (b) shall have the right to (1) grant easements upon, over, through and across the Lots (limited to the 20 feet area adjacent to each Lot line), which rights shall expire one year after conveyance of a Lot by Declarant), and the Outlots as may be required in Declarant's opinion for furnishing any kind of utility services, and maintenance and replacement thereof, or for drainage or other public purposes including, but not limited to, cable television or master antenna service, which easements may be granted to itself or its nominee and as may be necessary for excavation and construction of any Buildings and (2) grant easements upon, over, through or across the Common Areas for ingress and egress and maintenance and replacement thereof, to and from, and within, the Property and other real property adjacent to it.

- (c) shall have the right to veto any proposed amendment to this Declaration for any reason or no reason, in which case it shall not be deemed approved or effective.
- (d) may apply the covenants contained in this Declaration to future stages of the development of Laurel Springs. The future stages of the development of Laurel Springs shall only include lands which are adjacent to the real estate which is or becomes subject to this Declaration or any additional supplemental declaration. The future stages shall become subject to this Declaration by the recording of an amendment to this Declaration with the Register of Deeds for Washington County, Wisconsin. Except with respect to future stages of the development of Laurel Springs, such an amendment to this Declaration shall not revoke, modify or add to the restrictions and covenants contained herein. Notwithstanding anything contained within to the contrary, such an amendment as referred to in this Section, shall only require the consent, approval and signature of the Declarant.

ARTICLE 11. REMEDIES FOR VIOLATION BY OWNER

11.1 General Remedies

If any Owner or Occupant fails to comply with this Declaration, the Bylaws, or the Rules, such Owner or Occupant shall be liable for damages, subject to injunctive relief including an order requiring the removal at the Owner's expense of Buildings constructed without ACC approval, subject to any other remedy provided by the Bylaws, or all of the above, as a result of such noncompliance. The Association or, in a proper case, an aggrieved Owner, may bring an action because of such noncompliance. The "prevailing party" in any action brought to enforce this Declaration or any term or condition hereof shall be entitled to recover from the other party the prevailing party's costs incurred in enforcing this Agreement, including its reasonable attorneys' fees, in addition to any other relief to which the prevailing party is entitled. The term "prevailing party" means the party obtaining substantially the relief sought, whether by compromise, settlement or judgment.

11.2 Owner or Occupant Violation; Association Right to Cure

In addition to any other remedies provided herein, if any Owner or Occupant fails to comply with this Declaration, the Bylaws or the Rules, which failure continues for a period of fifteen (15) days following written notice from the Association, the Association shall have the right, but not the obligation, to perform or cause to be performed such maintenance, replacement, restoration or other action as the Association deems necessary or appropriate, and if an action or other proceeding is commenced in connection therewith. Expenses incurred therefore by the Association shall be assessed against the Owner or Occupant and shall be subject to all rights and remedies reserved under this Declaration with respect to

collection, expense, late payment penalties or interest, filing of a lien and/or foreclosure as reserved at Article 3 of this Declaration. Once the Association has taken such an action, it shall not be obligated to take any other or further action with respect to the same, similar or subsequent failure by the same or a different Owner or Occupant.

ARTICLE 12. EASEMENTS

12.1 Right of Entry

A right of entry to each Lot, Common Area or Outlot is reserved to the Association or its agents to service utility installations located on, in or under such Lot, Common Area or Outlot provided request for entry is made in advance and such entry is limited in scope so as to extend only as is reasonably necessary to service such utility installations. In case of emergency, entry by the Association or its agents onto any such Lot, Common Area or Outlot may be made immediately, whether the Owner or Occupant of such Lot, Common Area or Outlot is or is not present and without liability of the Association or its agents if such entry is necessary for the safety or welfare of persons or property. Any damage or loss caused as a result of such emergency entry shall be the sole expense of the Owner or Occupant if, in the reasonable judgment of those authorizing the entry, such entry was for emergency purposes.

12.2 Drainage

An easement is reserved to Declarant, the Association and the Village over Lots and Outlots for the installation of drainage tile, swales, streams or other storm sewer and drainage system elements as shown on the Plat or in any Storm Water Management Plan referenced in Section 6.10. Should it become necessary for the Village to clear or maintain the drainage systems, easements or retention areas, then each of the Owners shall be invoiced or specially charged for any expenses incurred by the Village. Such expenses may include, but are not limited to the following: engineering costs, routine maintenance or emergency maintenance.

ARTICLE 13. TERMINATION

13.1 Termination

This Declaration shall be in effect for a period of 25 years and automatically renewed for successive periods of 10 years each, unless terminated at the end of the original or any extended term by: (1) Declarant (if during the period of Declarant control of the Association), or (2) the written consent of the owners of at least 90% of the aggregate Lots provided that no vote shall effect an amendment to or termination of any provision hereof conferring on or reserving a special right or easement to Declarant without the express written consent of Declarant, as appropriate. Voluntary termination of this Declaration must be express and shall be effective upon recording a written instrument to such effect in the Register's Office.

ARTICLE 14. CONSTRUCTION AND EFFECT

14.1 Number and Gender

Whenever used herein, unless the context shall otherwise provide, the singular shall include the plural, the plural shall include the singular, and the use of any gender shall include all genders.

14.2 Including

Whenever used herein, the term “including” preceding a list of one or more items shall indicate that the list contains examples of a general principle and is not intended as an exhaustive listing.

14.3 Captions

The captions and article and section headings in this Declaration are intended for convenience and reference only and in no way define or limit the scope or intent of the various provisions hereof.

14.4 Severability

If any portion of this Declaration or its application to any person or circumstance is held to be invalid or unenforceable, the remainder of this Declaration, or the application of such provision, or any part thereof, to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby. The remainder of this Declaration shall be valid, and enforced, to the fullest extent permitted by law.

14.5 Remedies

All remedies herein are cumulative.

14.6 Waivers

Whenever a waiver, consent or approval is required or permitted herein, it must be express and in writing; no waiver, consent or approval shall be implied. A waiver, consent or approval to any one matter shall not be deemed a waiver, consent or approval to any subsequent matter whether similar or not.

14.7 Assignment of Declarant's Rights

Declarant may from time to time assign any or all of the rights and benefits conferred on or reserved herein for Declarant in its status as such (as opposed to those rights or benefits conferred on or reserved for all Owners or groups thereof), by an instrument in writing specifically identifying the rights and benefits so assigned which is recorded in the Register's Office.

14.8 Other Regulation

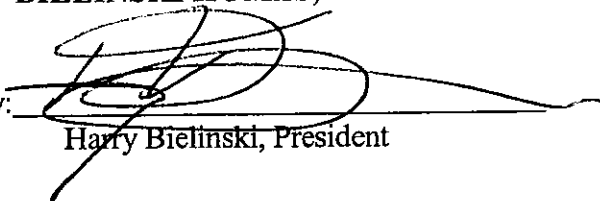

Nothing herein shall preclude or restrict Declarant recording other covenants, conditions or restrictions which further regulate portions of the Subdivision which Declarant owns at the time of recordation.

14.9 Village Codes or Ordinances

Nothing contained herein shall be construed to reduce, modify or alter the minimum requirements set forth in the present zoning ordinance, building code or subdivision control or stormwater ordinance of the Village, except as specifically modified in writing by the Village, within the framework of the planned unit development portion of the present zoning ordinance. This Declaration shall not be amended to contravene any Village codes or ordinances.
