\* 100% commission above purchase price. Paid once debit clears merchants bank account.

† Per unit installment commission is only for equipment on the installment plan. Commissions are paid once the installation is confirmed with the POS department. If merchant cancels within 12 months commission will be retracted by placement of a deduction to the sales partners residuals.

^ \*With 24 and 48 month agreements merchant agrees to pay 50% of remaining monthly fees for early cancellation. Upon completion of 48 month term the merchant owns the equipment.
