Committee Chairs – I want to thank you for all the work you do to make the club run and be successful! I know we all have a life outside of skate club, but please make sure you are communicating with your committee members regularly. We all want help and sometimes we need to tell people what to do. Do not hesitate to “voluntell” your committee members specific jobs that need done. Some people are hesitant to help because they don’t feel comfortable yet. It takes a little bit of effort up front to get the help you need!

Competition is almost here!!!!!!

We closed registration with 123 skaters! To put this into perspective, we had 92 skaters last year. We have medals ordered, we are working on securing meat for dad's corner and have a sponsor to help us with this! We are indeed doing 2 days of competition. Saturday will be anything but the basic levels. Sunday will be Basic Levels. It will make for a shorter day, Sunday, but we will still need help! Volunteers are desperately needed, and a full list will be going out via email as well as being put on entryeeze, to help us start securing people.

We had a highschool competition. The girls did well and are starting to get better at these events, now that they know what to expect! Sarah is working hard to start putting together a HS team series for next season and we look forward to all the hard work she is doing for this.
